## Exalted Ruler

Binding us through Elkdom!

Thank you to all who donated to the Purple Pig this past Year. I was honored to report during the Exalted Ruler March at State Convention that Fullerton raised close to \$29k to help children walk, see and play. I also attended a great session on Membership. I am excited to implement some of the ideas that were shared.

I met our CHEMPI Theme Child, Liam and his mom. Through his two years of therapy he has gone from limited mobility to being able to hold his head up and crawl. Through our Purple Pig donations, we directly impacted him and all the children that receive services. Below is a photo of Brian and me with Liam and his mom.

**BINDING US THROUGH Elkdom**

I am looking forward to the National Convention in St Louis, June 30 – July 3, where our very own Scott Stephens will be sworn in as District Deputy Grand Exalted Ruler. Look for my full report in the August Bugle.

For those of you who do not know, we won the lottery for a Fireworks Booth. Our booth is located on the corner of Harbor and Brea Blvd. We are going to need lots of volunteers, so sign up today. The signup sheet is in the lobby of the Lodge.

## ELKS RAISE FUNDS TO HELP DISABLED YOUNGSTERS

More than \$3.5 million has been contributed this year by members of Elks Lodges throughout California and Hawaii to be used in treating children with disabilities. Diana Mondragon, Exalted Ruler of Fullerton Elks, Lodge #1993, of the Benevolent and Protective Order of Elks (BPOE), representing the Elks Lodge at a recent Convention, contributed \$28,691 which was raised by the members of the Fullerton Lodge. The Orange District, which is comprised of eight Lodges in Orange County, donated a total of \$215,276. “I am pleased and proud that members of this local Lodge were so generous with their dollars and time in this important undertaking,” Ms. Mondragon said.

Since 1950, the 84,000 members from California and Hawaii have turned over more than \$120,500,000 to the California-Hawaii Elks Major Project, Inc., which administers the non-profit charitable corporation in the BPOE.

All of the funds are devoted solely to providing vision screening and therapy treatment to children with a broad range of disabilities. Without the Elks supported donations, many of these children would not receive such treatment. The year-long fundraising campaign is capped by a ceremony at the annual California-Hawaii Elks Convention, recently held in Fresno, when representatives from Lodges throughout California and Hawaii presented their donations to Major Project and Elks Association leaders.

The raising of funds to aid children with disabilities is just one of the many philanthropic and patriotic projects which mark the Elks’ contribution to our communities. In the photo are Liam, the Theme Child for this year’s fundraising efforts, and one of the Major Project’s physical therapists Lea Nibur.

From the Station of Brotherly Love

First and fore most "Thank You" to all of you that have commented on the article from this station highlighting the "charge" which is given during our Ritual/New member Initiation. Great to hear positive feedback.

In moving forward this is the second paragraph of the charge is as follows:  
"The animal from which our order derives its name is noted for gentleness and timidity. It is strong of limb, fleet of foot, quick and keen of perception. So should we be, quick to hear the cry of distress, timorous of doing wrong and fleet of foot to relieve the unfortunate, thus conforming to the "Golden Rule" which should govern all mankind."

I hope that we all take a moment to think about what this portion of the charge means.

Thank you again for all your kind support.

Yours in Brotherly Love,

Irene Imhof-Marciano

## Hilltop Bugle Changes

Hello from your Hilltop Bugle Editors!

As you have all noticed, the Bugle has undergone a makeover and we are really excited about the changes. To ensure the Bugle gets designed and printed on time, Scott and I have a few changes for you as well.

**Deadline** - 10th of each month

**Articles/Ads** - send editable files (**non-pdf**)

**Photos** - send as a .jpeg or .png attachment

**Bugle Email Address** - [FullertonElksPublisher@gmail.com](mailto:FullertonElksPublisher@gmail.com)

Please send your articles, ads, photos, etc as soon as possible. The hard deadline is the 10th and currently we get a rush of articles in on the last day. This makes designing and getting everything to fit into the Bugle a struggle. In the past we have had to omit things because there just wasn't enough time to get the bugle redesigned to make everything fit.

The good news about all of this is that you no longer have to worry about making your article/ad pretty anymore!

Thanks in advance for your help and support.

# Fullerton Elks <sup>Charity</sup> BINGO

After 2 full months of conducting Bingo at Fullerton Lodge #1993, I can say that we have some of the best volunteers and most conscientious members that have signed up and are appearing to work on their assigned nights. With some hindsight we can say that we are very optimistic about the future success of the Bingo being sponsored by our Lodge.

We started Bingo on April 1st with great expectations and after wading through our first month we had some losses that we will be carrying forward. After the second month, we have reduced those losses by about one third with the anticipation that we will continue to grow and move forward to a profitable future. With all that being said, we invite our members to come and join with us by either playing Bingo or volunteering to help with our continued success.

With 2 months under our belt we can report that we have given back to our customers over \$31,000 in prize monies. We hope to be showing a continuing profit that we can use to augment our Lodge's charitable giving and to help within our community.

If you should happen upon one of our many volunteers that work Bingo, Thank them for what they are doing to make this a success.

Ken Petri

# Good deeds require extra work for Elks to benefit

By KENNETH N. BRUCKNER

Article from [www.Elks.org](http://www.Elks.org)

Committee Member

As we engage in outdoor activities this summer, we need to take the time to reflect on the charitable work which we, as Elks, accomplish in our Lodges and our communities across the country.

Far too often we do not even consider all the activities we are involved in as charitable community work. An example of that is providing a positive, memorable evening for a group of youth such as an Honors Night, including a banquet for those who have recently graduated from high school and awarding scholarships to those in need of financial assistance.

Hosting an event for the veterans in our communities, sponsoring programs for the boy and girl scouts in your community, providing monetary support for people in the community who are less fortunate — These are examples of the utilization of the grant money available to enable a Lodge to perform these types of charitable events.

After hosting an event or program, the second step is to create a report of these activities. List the number of people involved, the total mileage, time, and money spent, and the value of scholarships presented.

The third step is to submit the finished report to your Lodge Secretary. He or she will complete the reporting in CLMS to Grand Lodge to make them aware of the charitable work we are performing at the local level. It is their responsibility to pass this information to the United States government to make them aware of our charitable performance within our Lodges. Also, the reports will provide positive information to hopefully improve our 501(c) (8) tax status by increasing the dollar amount not required to be reported as income by a nonprofit, charitable organization.

The mission of the Grand Lodge Government Relations Committee is to guide our Members, our State Associations and our Lodges, and to protect and preserve the right to exist as a private, nonprofit charitable organization.

As we go about all these activities within our Lodges, please take the time to thank everyone involved on a committee or an event that may be an ongoing project, an annual project, or event that has just been completed. The recognition will provide a great deal of satisfaction to that individual, making them feel appreciated as a Member of a great organization.

### Bio

Thomas "Scott" Stephens was born December 17, 1960, in Detroit, Michigan. He moved to California at age 22, and after being a Mercedes mechanic for 12 years, he attained his Real Estate license in 1994.

Mary Kay picked Scott up on the beach in 1985. They married 2 years later and settled in Fullerton 20 years ago. Along the way, they had a son, Blake (28), who was honorably discharged from the Army and works for a Geo-Tech firm. Daughter, Kendall (21) just graduated from Cal. State Northridge and is already working in Special Education.

Scott's volunteering began in Anaheim, where he painted homes for the elderly, cleaned up graffiti & served as a liaison to the city council. He was awarded a commendation by the Mayor & City Council for his volunteering. Scott was sponsored into the Fullerton Elks, 25 years ago. He volunteered & chaired many events & programs, being named Elk of the Year in 1999. When he joined the Office Corp. his new-found love, became the Ritual. Having a great respect for this fabulous tradition, Scott received 6 First Place Ritual Trophies (including one at State). He attained his Floor Judge's certification as a Jr. PER and served as a judge for many years. He was also awarded Officer of the Year along the way.

In addition to Judging, Scott served on the Orange Coast District Veterans Committee for 2 years, was one of the top Elks National Foundation, District Chairmen for 3 years, and our District Americanism Chair.
