## Exalted Ruler

Binding us through Elkdom!

I was honored to represent our Lodge at the National Convention in St. Louis. All four days were jammed packed with meetings and sessions. Our very own, Scott Stephens, was sworn in as District Deputy Grand Exalted Ruler. Attend the 1st meeting in August to hear my Grand Lodge report. Our Fireworks stand was a great success. We raised over 13K for our charities. A huge THANK YOU to Alan Kelley, PER and his fireworks crew.

The lazy days of summer are upon us, yippee. Flip flops, warm summer nights, ice cream trucks and outside living are just a few of my summer favorites. Please take time away from your busy schedule and enjoy the dog days of summer.

I have an exciting change to announce. We will be having New Member Initiation once a month on Saturdays at 9am starting August 24th. I know it is way different from what we have been doing, however; I am hoping that this will entice our new members back. We will have initiation then a new member reception. This will allow us more time to engage and share the great work of the Elks, which in turn will keep them coming back.

Fraternally Yours,

Diana Jean Mondragon

There are eight committee members each representing a Grand Lodge Area. Please feel free to contact us when you have a question or need assistance.

The information on all our programs, along with manuals and printable certificates, can be found online at [www.elks.org/grandlodge/activities/default.cfm](http://www.elks.org/grandlodge/activities/default.cfm).

Our Youth Programs include Hoop Shoot, Soccer Shoot, Junior Golf, Antlers, Scouting, Dictionary Project, National Youth Week, Teenager/Student of the Month and Year, and JROTC Recognition. In the community area, our focus is on promoting Lodge Community Projects, Disaster Relief, and the Medal of Valor and Service Recognition Awards.

We hope that your Lodge participates in these programs and reaches out in your community with a Lodge Community Project. Remember that an active Lodge is a successful Lodge, and a successful Lodge is one that makes a difference in their community, showing that "Elks Care – Elks Share."

## Esteemed Leading Knight

Hello brothers and sisters,

At the 155th Grand Lodge Convention in St Louis, Missouri, I was able to observe the different Major Projects of many Associations. I can assure you that all of these projects are accomplished through a lot of hard work and dedication of many, many, Elk members, their families and their friends. Each and every Association is determined to do everything within their power to assure that the unmet needs of children will not go unheeded; the Elks will meet those needs. I also noted that the Elks Voluntary Service Program assisted 633,865 veterans at 343 VA facilities in the past year. It truly makes you proud to be an Elk. At the Grand Lodge Convention, there were fifteen Resolutions that were voted on, eleven passed and four failed. You can see all of the Resolutions online at: <http://www.elks.org/convention//files/2016ResolutionVotingResults.pdf>. Once again I would like thank ALL volunteers who have participated in helping with Bingo without your volunteered work this could not have happened.

Fraternally Yours,  
Esteemed Leading Knight  
Pete Murrieta

## Esteemed Loyal Knight

Greetings from the Chair of Justice.

I would like to thank everybody who helped make the 4th of July such a successful event. I could not have done it without all of your help. A great time was had by all, so again from the bottom of my heart thank you so much!

Summer is upon us and it's going to be hot. Please remember to hydrate to help stay cool. Heat stroke is dangerous. Also don't forget your pets need plenty of water and a cool place to stay. DO NOT Leave your pets or elderly in the car unsupervised.

Remember there is free Yoga Wednesday mornings at 10:30.  
Have a great summer!

Esteemed Loyal Knight,  
Andy J. Konieczny III

From the Station of Brotherly Love

As I continue to share the "Charge" given at the station of Brotherly Love, here is the 3rd paragraph.

Please take a moment to reflect on this paragraph.

"In this rule which is the foundation and groundwork of our order, Brotherly Love finds it's perfect expression and it is best exemplified by practicing the teachings of our motto "The Faults of our members we write upon the sand, there virtues upon the tablets of love and memory."

"Volunteers do not necessarily have the time, they have the heart."

Thankful you are all in my life,

Biography of  
**Robert L. Duitsman**  
**GRAND EXALTED RULER**  
**2019-2020**

*Benevolent and Protective Order of Elks of the U.S.A.*

Robert "Bob" Duitsman was born in Inglewood, California and attended local schools, including Inglewood High School, the University of Southern California, and Southwestern University School of Law in Los Angeles, receiving a Juris Doctor degree in 1981.

Bob joined the Culver City Elks Lodge in 1989. Moving through the chairs, he was elected Exalted Ruler for 1993-94 and again in 1995-96. He was Association Vice-President in 2001-02 during the presidency of John Caralho and his wife Sandy, and was then District Deputy Grand Exalted Ruler in 2005-06 during the national presidency of Honorable Louis J. "Jim" Grillo and his wife Lucia. Bob served on several district committees, but developed a particular interest in the ritual program. He has been a ritual judge since 1995 and served in a number of positions in the ritual community leading to CHEA Ritual Training Chair and finally CHEA Ritual Contest Chair in 2007-08. He also served on the CHEA Major Project Board of Trustees from 2013 to 2016, the last year as its Chair. He served as President of the California-Hawaii Elks Association in 2018-19.

On the Grand Lodge level, Bob served on the Committee on Judiciary for six years, 2009 to 2015, the last two as Chair, and is currently in his fourth year as a Justice of the Grand Forum, in effect the Supreme Court of the Order. For two years he served on the Grand Lodge Pardon Commission.

For over thirty-five years, Bob has been an attorney in private practice in the Culver City area, with emphases in the areas of estate planning and parole revocation defense..

He is a Past Chair of the Culver City Chamber of Commerce, a Past President of the Culver City Lions Club, and a Past President of the Inglewood District Bar Association. For over twenty years, he was a Temporary Judge of the Los Angeles Municipal and Superior Courts. For more than thirty years, he has been a volunteer at the Culver City Senior Center, helping its members with their legal problems on a volunteer basis. What little he knows about speaking before groups he owes in large part to Toastmasters organization, of which he is a thirty year member with a designation of Distinguished Toastmaster. He also knows a little about parliamentary procedure, having attained the designation of Professional Registered Parliamentarian through the National Association of Parliamentarians. He is an ordained elder at Knox Presbyterian Church in Los Angeles.

Bob met the love of his life, Beth, in 1982, and they married in 1987. They do not have any children, unless you count their dog, Winston. Together they live in the Ladera Heights area of Los Angeles County.

Bob enjoys gardening, putting around the house, spending time with his dog, and is one of only 131 people on earth who have finished all 34 editions of the Los Angeles Marathon, with a best time of 3:52.

Bob and Beth are proud and excited to have the opportunity to serve as National President and First Lady of the Benevolent and Protective Order of Elks of the United States of America; meeting and making friends during their travels, and talking about their slogan "Honoring the Past - Embracing the Future."

# Special Child - July

## Kelly Kerr

The Special Child for July is Kelly Kerr. She is 37 years old, her birthdate is April 9th, 1981. Kelly's parents are Don & Peggy Kerr. Don is a retired Sheriff and an Elks Member from Vancouver, Washington. They travel to Southern California for doctor's appointments and to see their family & friends. Currently, they are staying in our Elks parking lot in their motor home.

When Kelly was born she was diagnosed with Hydrocephalus which is a buildup of fluids on the brain. She had a shunt put in. She also had a defect in her ventricular vein next to her heart. This was repaired in surgery. As a result of these conditions, she developed cerebral palsy and she is developmentally delayed. The doctors said she would never walk or talk. They were wrong. Kelly has a very busy life. She enjoys working 500 piece puzzles, she helps out once a week at the local food bank, she volunteers at the local retirement center for Bingo (her favorite sport), and she takes pottery lessons and makes all sorts of pottery for gifts. She also loves Karaoke. You may have seen her singing recently on Wednesday night here.

When the Winter Olympics were held in the area where they lived, Kelly carried the Olympic Torch. In 1999 J.C. Penney gave Kelly an award for the best local volunteer.

Please welcome Kelly Kerr and her parents Don & Peggy.

Respectfully submitted,  
The Special Child Committee

# Fullerton Elks <sup>Charity</sup> BINGO

As we move into our 5th month of Bingo at our Lodge, it is hard to describe what the atmosphere is when we are hosting our guests for a night of playing Bingo. We continue to progress in our games and the money that is being generated, but we still have a ways to go to turn it into a truly profitable situation for our future. With the profits we have made to this point, we have been investing in supplies and equipment that will make our operation progress into the near future. We have been lucky enough to avail ourselves in the procurement of updated Bingo equipment that will soon be in use on Monday nights to make our games even more enjoyable for our guests.

With all that has been said, I must again thank all of our volunteers that show up when needed and are helping our operation succeed. We are always looking for additional volunteers that can give us one night of their time every four to five weeks by showing up to work with the other members that volunteer and making our guests enjoy our lodge. We are seeing some interest from our guests to maybe become members in our Lodge and can only hope for future growth.

It is too lengthy a list to thank all our volunteers, but I can only say that with out you all this could no be happening.

## Austin Charles Aita

Austin was a fun loving, good hearted and hardworking young man. An Angels Baseball Fan. He was a fulltime student at Fullerton College and worked part time at Disneyland's, Grand Californian Hotel and Buffalo Wild Wings. You may remember Austin as the Veterans Day photographer a few years ago.

On February 2, 2018 he was coming home from work at about 1:45am when he was involved in a motorcycle accident. Someone cut him off and he went through the side of the SUV. He was wearing his helmet when the accident happened. He was found still in the SUV when police arrived. He was taken to UCI Medical Center where he underwent many hours of surgery. He sustained many injuries and broken bones. They had to remove his spleen to stop the bleeding. His left arm was reattached but two weeks later because of infection they had to remove it. Four days after the he was diagnosed with traumatic brain injury. At first, they said he would never breath on his own but three weeks after the accident he was off the respirator

and breathing on his own. He spent two months in UCI before he was transferred to Kaiser Anaheim and then to a Sub-Acute Nursing Home that would take a patient trac mask and feeding tube. Austin is still non-verbal. His Dad is with him every day to make sure he receives the care he needs. We believe in miracles and know that one day he will once again walk and talk.

Austin is the godson and Nephew of our Secretary Mariann Aita and son of Charlie Aita.

## Father's Day Breakfast

Well the Fullerton Lodge had another busy & successful Father's Day on Sunday June 16th - the place was packed - the food was tasty - the bar was busy - and the Dads were the stars!

No event happens without our wonderful volunteers, who are listed in in alphabetical order, with all respect and admiration: Dave Allen, Irene Barraza, Deanne Scott Compton, Brenda Elzy, Ed Elzy, Alma Garcia, Judy Givens, Mike Gutierrez, Irene Imhof-Marciano, PER Dave Lawhorn, Steve Mangum, Steve Marciano, First Gent Brian McNamara, ER Diana Mondragon, Trudy Nuzum, Pauline Ling, Mary Schmidtgal, Diane Schumaker, Gene Shumski, Robert Sweney, Janet Vandergrift, and also help from Sunday Brunch Chairman Paul Jaramillo, Bugle scribe Jackie Keating, Banquet Manager Gabby Rossberg, Dishwasher Francisco, and Bartender Jonnie.

This was our 8th Annual Father's Day Breakfast in honor of the Dads, since I was ER in 2012. When I joined the Elks in early 2004, my own Dad, Manny Marquez, a US Army Veteran and Father and Dad and provider to 5 Sons, had recently passed away. So I joined the Elks as a tribute to my Dad, knowing that the Elks were big on honoring Veterans. This event has been in memory of my Dad, and in honor of all the great Dads out there. To all who volunteered and gave it their all, and to all who supported the event with their attendance and their contributions, myself, the Fullerton Elks, and the Dads, Thank You Very Kindly!

# Wine Pairing Night

**August 29, 2019**

5:30 cocktails

6:30 Introduction & Pairing

\$25 per person

***5th Thursday Fun Night!!***

Since there's no Lodge meeting, we're doing something fun. Wine pairing!

Eric Matsuno, our wine purveyor from Southern Wines, will be our host. He'll introduce you to all the new wines on our list, share best glass uses and suggest food pairings.

We'll sample 5 wines, paired perfectly with tantalizing tasters (not a meal).

This event will NOT get you hammered, nor will there be wines to purchase (except from the bar). This is an introduction to our wines & food pairing. So you can enjoy the expanded wine list, when you visit the lodge. Open to all novices & snobs (or anyone else).

Mail your check to the lodge (note "Wine Pairing) by 8/16/19
