Hello Fellow Members,

During these difficult times Fullerton Elks Lodge has had to try and keep our members safe. The most important consideration we should be doing is to follow our Government Regulations and the advice from our Healthcare Professionals. A number of steps have been taken to keep our members safe and to ensure Elksdom will continue once this adversity is behind us.

Because of the shutdown we have been able to complete a lot of needed maintenance to our lodge such as cleaned and sanitized all tables and chairs and both bar areas, replaced dance floor in the lounge, cleaning and polishing the floor in the banquet room, putting down transition strips in doorways, fixing door hinges, washed carpet in the lounge and banquet room, cleaned and sanitized from top to bottom all the walls in the kitchen, a good deep cleaning to all the appliances, scrubbing and cleaning all the baseboards throughout the lodge, fixed the shelves in the back keg room, cleaned and sanitized the pantry room and the walk-in refrigerator, cleaned up the janitors closet, installed seven wall mounted hand sanitizer throughout the lodge.

I would like to thank our maintenance man (Francisco) for all the hard work he has performed in our lodge. In May we started out with our first take-out meals and it went very well and a big thank you goes out to Gaby and Heidi and all who volunteered who made it happen we served 95 plates. I hope by the time you read this June Bugle we would be back in our lodge, but if not then we will be doing more take-out meals. It is not only Elksdom that is facing trying times, but the entire nation. The most important thing is to keep our membership safe and healthy. Once we are able to reopen it will be necessary for our truly dedicated Elks to step forward and help our lodge to be successful into the future. Elksdom has survived for over 150 years. It has survived because of its members giving of themselves, their time, their effort and dedication to make this world a better place. I hope to see everyone back in our lodge soon.

Sincerely and fraternally,
Pete Murrieta

Dear Brothers and Sisters:

Helping others has many forms. We are all tremendously grateful to the people that have been serving on the frontlines of COVID-19 in essential services helping us. This includes healthcare workers, first responders, grocery store clerks, gas station attendants, postal employees, delivery drivers, auto mechanics, and so many more. Let's all be sure to thank these essential service workers when we encounter them.

As our lodge works on creative ways to continue our charitable works while ensuring compliance with government and health guidelines, we are grateful for all your support to charities that help so many in need. I hope the following poem is helpful in our efforts to be not only just but charitable to our fellow man.

Helping other people can be a cure
Not just for those who are in need
But for your soul as well.
--Marinela Reka

Thanks for being safer at home and now working towards safe ways to enjoy summer.

Fraternally Yours,

Marie Nunez, Esteemed Loyal Knight

Elks National Foundation (ENF) 2020 Update on Cumulative ENF Recognition Levels

Your ENF donations are essential to Elks charity efforts including Veterans, Scholarships, Hoop Shoot, Drug Awareness, Local Community Investments, and State (like CHEA) Charities.

Did you know that the Participating Member program began in the 1930's. A \$100 donation in 1935 is equivalent to a \$1,875 donation today!

On December 31, 2020, ENF will make a major shift to its donor recognition process. Specifically, the three cumulative recognition levels below \$1,000 will be discontinued including Participating Member (\$100), Sustaining Member (\$250), and Distinguished Member (\$500).

Donors who wish to attain one of these levels will have until December 31, 2020 to do so. Be recognized on our lodge ENF donor wall this year!

In early 2021, ENF will mail recognition for these levels for the last time, with each qualifying donor receiving a pin for the highest level attained.

With this update, ENF recognition efforts will emphasize annual giving and encourage donors to join the Fidelity Club for recurring giving. Learn more on these easy, convenient, and secure ways to include ENF in your 2020 donation plan.

As we enter June I am reminded of a song.
In my life I HAVE loaded 16 tons; I'm another year older, but not deeper in debt.

Have you volunteered with one of our committees yet? It is a great way to become involved with the activities of our lodge and to meet other members that have that same need to help others. Where can you volunteer? The following committees can always use your help: Bingo, Veterans, Sunday Brunch, Bugle Preparation, The Jack Ehlers Dictionary Distribution, Lounge Food Services.

I pray that this article finds you in good health, and good cheer.

NEWS FROM FULLERTON HILLTOPPERS CAMPING CLUB

Clare Johnson, Chairperson

Hello June!!

With COVID-19 still looming over our world, we continue to live in a world of uncertainty. Santa Maria has postponed their annual Rodeo until September 27, 2020. So right now we do not have an outing planned for June. On my own I booked Ken and I a couple of weekends up in Thousand Trails Idyllwild. They are: May 28 to May 31 and June 11 to June 14. We also booked Wilderness Lakes from July 1 to July 6. Folks who are not members of Thousand Trails can book sites at their resorts for a fee. Or, we can invite guest to camp with us. Ken and I love the Idyllwild resort since it is in the woods and very relaxing. They do have a pool, spa, club house, country store, horseback riding, and special events. Please contact Clare Johnson at 714-357-2670 anytime for additional information.

TRUSTEE CORNER

The new Elk year in full swing. The Trustees have been busy improving the looks of the Lodge:
 The dance floor in the Lounge has been replaced.

New floor mats behind the bars that are thicker and easier on the Bartenders legs and back.

The beer kegs have been placed on shelving in the cooler to make it easier to change the kegs and see the inventory.

Carpets have been cleaned and the dance floor in the Lodge/Banquet room has been stripped and sealed.

Please help us keeping them clean. Pick up trash or food and if you spill liquid please be sure it is wiped up.

Thanks to Brian McNamara, Scott Broadbent, Mariann Aita, Steve Marciano, Gaby Rossberg, Francisco and Estaban for their assistance with the above projects.

The Trustees oversee the Health and Safety Committee. We are looking for members to join us. They meet usually once a month. If you are interested let a Trustee know.

The 20/21 Budget is completed and will be presented to the Membership for approval when we start having our Lodge meetings. Hand sanitizer machines installed throughout the building. Thank you ER Pete.

Lastly, if you have any questions or concerns regarding the maintenance or upkeep of the Lodge please do not hesitate to talk to a Trustee.

Trudy Nuzum, Chairman of the Board of Trustees

In these days of isolation, it is important to not forget that your donations are still needed and appreciated.

Make a Donation to California-Hawaii Elks Major Project, Inc. Your gift today will help hundreds of children with disabilities throughout California and Hawaii to Walk, Talk, See and Play! Donations are welcomed in any amount or you may want to choose to join one of our exclusive clubs and receive a special thank you.

Join one of three exclusive clubs and receive a special thank you from the Major Project!

Become a member of the 52 Club, Century Club and/or Millennium Club and receive a special Pin and a Certificate personally signed by the CHEA President.

These are good programs for posting names in the Lodge bulletin of Millennium Club, Century Club and 52 Club members. Also, it is recommended that a list of names be placed in an area of prominence in the Lodge to stimulate interest. This is also a good program to introduce to Elk spouses involved in Bowling, Emblem, RV, etc.

SCHOLARSHIP UPDATE

From the Scholarship Chair Trudy Nuzum

As your Lodge Scholarship Chairperson, I have some good news regarding the Elks National Foundation "Most Valuable Student" (MVS) Scholarship winners representing our Fullerton Lodge.

We have three MVS winners: Isabella Paolette-Tejeda, Rosary Academy – will attend Notre Dame University; Brandon Kwon, Valencia High School – will attend Stanford University and Lia Mimum, El Dorado High School – will attend Yale. They each were awarded a Scholarship of \$4,000. (\$1,000 for four years) The Orange Coast District had a total of seven MVS winners.

Congratulations to the 1st place Boys MVS overall winner is Santiago Alvillar from the Montebello (CA) Lodge #2051. He was awarded a \$50,000. (\$12,500 for four years)

I have contacted our eight Lodge Scholarship winners to congratulate them again and wish them good-luck with their future endeavors.

Fundraising Virtually

Thank you Cory Brown!

As we all know our Lodge has been closed since mid-March. Our ability to raise funds for Elks charities such as Special Child and Veterans, as well as operating costs has, as at most Lodges in the US, been severely affected. Your Officers and Committee Chairs have been considering virtual events as a possibility of temporarily replacing our Lodge events. As soon as the Lodge is able to open, all members will be notified and we will return to our normal course of doing business (e.g., charity, brotherhood, justice, fidelity and fun).

If you have an idea of an event that can be conducted virtually, such as on Zoom conferencing or similar program, please send an e-mail to Pete Murrieta, Exalted Ruler at p.murrieta1213@gmail.com. You can also contact the Lodge Secretary, and request that your suggestion be forwarded to Pete. Your suggestion will be considered, and if it can be used, the Lodge and Elks charities will be most grateful. Take a few moments and send the Lodge your ideas!

OC COVID-19 Testing Network

The following locations offer FDA-authorized COVID-19 testing to Orange County residents who have symptoms of COVID-19. This test identifies if you are currently infected based upon a sample taken with a swab. It is not a blood test, nor does it test for antibodies. The most common symptoms of COVID-19 are fever, cough and shortness of breath. You will receive a medical assessment before being tested and you will only be tested if you have symptoms of the disease.

There is no out-of-pocket cost to you for this testing, however your insurance may be billed. You are asked to contact your medical provider first and only access these services if you do not have a provider or your provider is unable to provide testing.

Because of continued challenges of obtaining testing supplies and Personal Protective Equipment (PPE) for health care providers conducting tests, testing may be restricted at times to high priority groups, as defined by the California Department of Public Health or Orange County Public Health.

You **MUST** make an appointment for testing with one of the clinics below to assure eligibility and availability of testing.
