Hello Fellow Members

I hope you and your families are staying mentally and physically healthy, and that we are closer to life as normal. As I write this article for the month of July, we have lived through dramatic changes with the COVID-19 pandemic altering the way we live and work practically overnight. Even though we are open and some of our members still feel uncomfortable to come up to the Lodge you should think about connecting virtually with loved ones. If you don't live in the same household, you should regularly call, text, or video chat to check in. It can bring you closer together, as well as improve your moods.

Despite all our changes and challenges I hope to get our Lodge back in operational order to get our charitable works done. I wish to thank Trudy Nuzum, Cory Brown, Marie Nunez, and Gaby Rossberg for the help and countless hours to develop a plan to open up our Lodge and every volunteer that helped with all the take-out events.

Sincerely and fraternally,
Pete Murrieta
Exalted Ruler 2020-21

From the Station of the Esteemed Leading Knight.

Greeting everyone I hope that all is well with you and your family.

On July 4th 2020 the United States of America turns 244 years old! What a milestone. Our claim to independence came at a very high price. Many men, women and yes even children gave so much to found a country that stands for Freedom from tyranny. Our Flag, "Old Glory" has stood in proud representation of all our struggles for this great country, Oh it has changed over the years, from the original 13 colonies, to now the 50 stars and stripes we know so well, It is arguably one of the most recognizable symbols of this great country.

Recently our beloved Flag has become a target once again. The debate to "Stand" or "take a knee" in protest has rushed to the fore front, Is it disrespectful, or not? I am not going to take a side with the debate in this article as the decision should be yours to make in good conscience and not in the Lodge. This debate is tearing at our founding principles. Dividing us, when our flag should unite us! It is a symbol of Freedom, of Liberty, of a Nation made up of many colors and races. We should honor it, by respecting all that it represents.

The wars fought, lives lost, to ensure your freedoms. Your freedom of speech, your right to assemble in peaceful protest, your right to bear arms. Yes, we are not perfect by any means. We have many faults. Yet we strive to learn from our mistakes and go forth better humans. Take pride in our flag! Know what the colors and stars represent, in unity. Elks are a special type of people, we give through Charity, we stand for Justice, we lend a helping hand in Brotherly love, and we are united through Fidelity, If more people lived through the cardinal principles of our order this would be a much better world and there would be no debate tearing apart our country. Yes, I think more of our country should be like Elks. The Benevolent and Protective Order of Elks Unifying our Country through Charity & Patriotism.

Looking forward to celebrating our great country with you in the Lodge real soon.

CENTURY 21 Discovery

Dear Brothers and Sisters:

July marks the halfway point for the 2020 calendar year. Already this year has brought us many challenges, time to reflect and now transform. The following quote from Dr/Reverend Peter Marshall is quite fitting for our celebration of the birthday of the land of the free and reminds us to be selfless.

*May we think of freedom,
not as the right to do as we please,
but as the opportunity to do what is right.*
Peter Marshall

With the re-openings of business (and Lodges), let's continue to help and support one another by acting with prudence and caution so our friends, family, and community stay healthy. Please be Safer at Work and Safer in the Community.

Fraternally Yours,

Marie Nunez, Esteemed Loyal Knight

TRUSTEES CORNER

The Lodge Trustees seek help soon after the Lodge reopens to clean up the storage area and the storage container. Anyone willing to help, please let one of the Trustees know or call Ken Petri (714) 742-0069. So when we get ready for a work party, we will have people to contact.

A decision was made to move forward and replace the heavy, wooden banquet tables with newer lightweight lifetime tables. Plus, they decided to give our Lodge members a chance to participate by sponsoring a table at a cost of \$80.00 per table. We have to replace about 21 tables and you may sponsor as many as you wish.

If you would like to sponsor a table, contact the Lodge office (714) 870-1993, any of the Trustees or Ken Petri (714) 742-0069.

Congratulations Lorenzo Shapiro Boy scout Troop 871's Newest Eagle Scout.

**Lorenzo Shapiro
 Eagle Scout**

Lorenzo completed his Eagle Project and reported to Orange County Council, they held a Zoom meeting and Eagle board of review with Lorenzo.

Having passed his board of review he has been recognized by National counsel and awarded the highest rank of Eagle Scout. Unfortunately, due to quarantine Lorenzo had to cancel his Court of Honor where we would all gather and congratulate him on this major mile stone in his journey to adulthood.

For those that don't know here a few facts about reaching and achieving the rank of Eagle. All funds must be raised by the youth. He achieves this by selling goods, hosting car washes, applying for grants, and any other fund raising he can come across. He must keep track of all hours spent working on his project, including the hours of any volunteers (usually other scouts) that help him along the way.

The project must meet the following criteria: It can not benefit him or his family directly, It has to be a minimum of 100 hours to accomplish, and it must make a positive impact to his community. All of this is asked of only a 16 to 17-year-old young man, and must be completed before his 18th birthday. Many think they are too young for the responsibility but that's the secret to the success of the Boy Scout program. They are more than ready by the time they make the rank of Life Scout. They have many tools in their arsenal. Mentors in the Adult leaders, Guides in the Eagles that flew there before them, and the solid foundation of the 12 points of the scout oath and law.

All of this prepares the young man for the rank and responsibility of Eagle scout. Lorenzo has enlisted in the US Army and is leaving for Boot camp in a about a week, after boot camp he is headed to Fort McClellan in Alabama for his A school; where he will be training to be an AIR TRAFFIC CONTROL TEC. Good luck to you Lorenzo Shapiro, The Elks are proud to be your charter and are very proud of you. Good luck in your new career with the US ARMY.

NEWS FROM FULLERTON HILLTOPPERS CAMPING CLUB

Clare Johnson, Chairperson

Hello July!!

With COVID-19 and the recent protesting, maybe it is time to get in the RV and get away from it all. Ken and I booked Thousand Trails Wilderness Lakes from July 1 to July 6. Folks who are not members of TT can book sites at their resorts for a fee. There were a few campers that enjoyed the TT Idyllwild Resort as it is in the woods and very relaxing. Of course Chuck and Renee are ready to go to Vista on July 23-25. This outing is always fun filled as Chuck plans for golfing on Friday and the annual horseshoe contest on Saturday. We are not sure, but we are hoping the lodge will be open by then. The Committee for the annual Purple Pig Rally in Hemet got together and decided it is a go for October. So mark your calendar and let's get out and support CHEMPI and the kids they help. Please contact Clare Johnson at 714-357-2670 anytime for additional information.

ELKS NATIONAL FOUNDATION PROUDLY PRESENTS

ENFto You: Summer Series

In case you haven't already heard of the ENFto You Series, it is worth a re-post. Check it out!

The Elks National Foundation proudly presents ENFto You: Summer Series, a virtual experience for Elks to learn more about the ENF and its programs. Since the Elks National Convention was canceled, ENF is coming to you—wherever you are. The ENF will kick off the Summer Series on Sunday, June 28, at 5 p.m. CST (3:00 pm for us) with a virtual version of the show it would have presented at Opening Ceremonies in Baltimore. Join in for remarks by the top two Most Valuable Students [One is from our neighboring Whittier Lodge!] and other must-see moments!

ENF will also bring programming and brand-new content to you every two weeks throughout the summer months, plus opportunities for pop-up sessions, coffee breaks with ENF staff, and so much more. Register at Elks.org/ENF/news and receive a digital swag bag to help you get ready for the series; notifications and updates about the types of programming the ENF will offer; and a chance to win ENF prizes.
