From Our Exalted Ruler

*Shining the
light of Elksdom*

Dear Brothers and Sisters:

Supporting and challenging our youth is essential to what Elks Do! Student recognition is promoted via Scholarship essays, Teenager of the Month, Americanism essay contests, and Drug Awareness essay, poster, and video contests. These have all been shared with local schools, youth groups, and community partners to encourage and recognize outstanding boys and girls from our community.

Did you know that the Teenager of the Month program gives public recognition and praise to students who have multiple achievements such as character, leadership, community service, citizenship, scholarship, and any other factors which would contribute to an outstanding teenager. This year, the Americanism essay topic is "What is Your American Dream" and the Drug Awareness topic is "One Pill Can Kill". Our Scholarship essay asks contestants to describe the impact of a leadership role or extracurricular activities. Contest winners move on to compete at District, State, and National levels.

Additionally, our Lodge continues to successfully promote positive outcomes for our youth with the Hoop Shoot Program and the Dictionary Project. We would like to also initiate a Soccer Shoot Program. Persons interested in helping with any of these programs may contact me or the program chairs. Hoop and Soccer Shoot winners also move on to compete at District, State, and National levels. Red Ribbon Week is October

23 – 31st – Let's encourage our youth to Celebrate Life and Live Drug-Free!

I look forward to recognizing our youth, awarding contest winners for each of these programs during a special Community Night at our Lodge. We are also very fortunate to have one of the best Special Child Programs in Elksdom! The future of Elksdom is brightened by community service and commitment to our youth.

For our members, this month has so many things to do – Monday Nite Football, Purple Pig Rally in Hemet, Follies, Elktoberfest, Halloween Party, and Trunk-or-Treat! These fun events are created and run by volunteers who put so much time and dedication for all to enjoy and raise funds for our charities. Please come out and support these efforts while having a fantastic time! We do also need volunteers to help, such as, contributing raffle items for our scholarship fundraiser at Elktoberfest, host a Monday Night Football dinner, host a trunk of treat vehicle, cook or serve food, set-up/clean-up event, or cashier. These are all great ways to participate and meet fellow Elks.

Fraternally Yours,
Marie P. Nunez
Exalted Ruler

From Our Leading Knight

We all wish to be treated with respect and dignity, and to feel valued and listened to. In the spirit of charity, we would strive to do the same for others. One way to look at this principle is through the lens of reciprocity, known to many as the "Golden Rule," which states, "Do to others as you wish done to you." Here is an ethical code that instructs us to treat others the way we would want to be treated.

Although different cultures and faith traditions might have different words and language, all human cultures have a version of the Golden Rule. It advises us to treat our neighbors, families, and all humans as we would wish to be treated, and shows how we can all apply empathy, understanding, and right action as our moral guideposts. Depending upon your age or upbringing, you might remember the Golden Rule (or something similar) being introduced into your school, as part of your family values, or as a faith-based principle. It is a universal ethic, with the power to cut across gender, culture, age, beliefs, and social-economic status.

CHARITY

"Be kind whenever possible. It is always possible." Dalai Lama XIV

From Our Loyal Knight

Dear Brothers and Sisters:

How can you best serve your Lodge? For most of our members it's through volunteering. Our volunteers provide a valuable service to our lodge by keeping our operating cost lower, which not only helps keep the doors open, but also makes our events more profitable so that more money can be directed to the numerous charities we support. For others, they

support our lodge through generous donations, attending our events, and by bringing in new members to join our Order.

For a few, they serve as Officers of the Lodge. There are 12 elected officer positions and 4 appointed positions along with 6 appointed assistant positions for a total of 22 officers in total. Some are more involved than others and for those looking to dip their toe in the water before diving in; the positions of Inner Guard, Tiler and Chaplain are good places to start. Officer elections and nominations are in February so now is a good time to start thinking about it and speaking to some current officers to see if it might be the right fit for you.

Fraternally,
Bill Swaim

JUSTICE

From Our Lecturing Knight

People complain that they don't have enough time. Time used to be regulated by society, the authorities, religion, family, biology and many other influences.

Today, we have more freedom than ever to manage our time in ways that best suit us. We can thank technological advances and an unprecedented loosening of social norms for that. What a time to be alive! But don't be discouraged. With all this freedom, you get the chance to do things

your way and live your life exactly as you see fit, at least to a greater extent than your grandparents, who didn't have the time freedom we take for granted.

While time management may seem to be harder, your opportunities are greater than ever (assuming, of course, that you're lucky enough to live in a country with public policies that guarantee everyone quality time). After all, this is the ultimate goal of time management. It's not efficiency, productivity, or getting things done. It's the ability to make our schedule a reflection of our values, beliefs, and philosophy. Time management allows us to structure our lives the way we want to.

The implication is clear: while time management may be more challenging than before, it's also more rewarding. What we lose in ease and routine, we make up for with the ability to create our lives on our own terms. And that's a trade-off that's worth making.

George Neri

GRAYSON ARROYO *Our August Special Child*

The Fullerton Elks hosted Grayson Arroyo, this month's Special Child. Gray is 22 years old, but he looks like he is much younger than that. When he was six years old he was diagnosed with tumors throughout

his brain and spine. Over the past 16 years he has had 29 surgeries & procedures, 7 chemotherapy regimens and has spent months at a time in the hospital. Gray has been through extensive rehab several times to re-learn how to sit up, walk, and swallow. Through all of this

Gray continues to show his family and friends the true meaning of a miracle.

A Fullerton Elk Member, Pirate Darren made a special presentation of gifts to Gray. In Gray's own words he became a pirate to help him battle cancer. Pirates have rough lives at sea with sickness and disease. They have to fight to survive. Gray's love of art inspires him and he creates his own artworks.

He has a big heart and every year for Christmas he donates his Christmas money to adopt a family and buy them gifts. Last year he selected one of our Special Child families for his donation.

Gray's motto is "Live your life to it's fullest potential everyday." He is the true meaning of a miracle.

Gray's family was there for the celebration, including his Grandparents visiting from Tennessee.

Respectfully submitted,
The Special Child Committee

California Hawaii Elks Association *President's Builder Champion Award* 2022-23 *Irene Imhof-Marciano*

Irene Imhof-Marciano was nominated for and received the 2022-23 California Hawaii Elks Builder Champion Award. This Award honors those Elks who are "Builders in Spirit" in their promotion of Elksdom and its Legacy. The Award recipient recognizes that the future of the organization begins with you. Irene's passion is advocating for and supporting disabled children and their families. Since 2010, Irene has co-chaired the Fullerton Elks' Special Child Program, hosting eight to ten children each year at the Lodge. Dinner is provided and a formal presentation is made in the Lodge meeting, with gifts that are personalized and focused on each child's therapeutic needs. Irene's friendly demeanor and ability to engage Lodge members and families to volunteer has allowed this program to be one of the Lodge's favorites, with thousands of volunteer hours assisting in Special Child events. There are generous donations of funds and gifts that let the children and their families know that they are part of the greater Elks family.

Irene and her family are the developers of, and annual contributors to, the non-profit National Organization for Disorders of the Corpus Callosum (NODCC). This organization support families of children and individuals with this disorder and sponsors a national conference, with a mission to enhance the quality of life and promote opportunities for those with this disorder.

Irene is a thirteen year Elk member whose volunteer hours and com-

mittee membership are too numerous to count, the most notable of which is her current position as "Volunteer Coordinator." She has also served as Esteemed Lecturing Knight, Lodge Chaplain and Assistant Tiler. She works full time for a hospice organization yet still donates much personal time to Lodge activities. She is a mentor to many and offers her assistance to younger members in how to get involved in charitable events and enjoy their membership.

Fullerton Hilltoppers Camping Club News

The club met at Canyon RV in August to host their annual "Old Timers" campout. At this event, we invite past members to join us for lunch and share their memories of past adventures. The comradery of our club continues to grow with each outing!

At every meal the table overflowed with a variety of tasty dishes, followed by freshly grilled main courses. Anthony grilled fresh shrimp to add to the carne asada & pollo chicken for the tacos on Friday. Scott made us omelets in a bag on Saturday morning with all the fixins (eggs, ham, sausage, chorizo, onions, peppers & cheese). We finished off the evening with grilled burgers and hot dogs. You will NEVER go hungry at one of our campouts!

The "Old Timers" event on Saturday was filled with both joyous and bittersweet memories. We had wonderful visits from Irene & Steve; Rene; Bob & Doris; Kathy & her daughter, Michele; Sam & Donna; and Rosemary & Art. The day flew by as members shared memories of our club outings. Books filled with pictures saved by past Hilltoppers made the rounds. Pictures found their way into the hands of those who starred in them or their friends & families. As folks to depart, hugs and promises to do this again next year made their departure a little easier. A few lingered into the evening to join us for dinner and a roaring campfire! The evening ended with much laughter as Scott, Jim & others did their best to tell their favorite jokes!

Our Wagonmasters, Anthony & Barb Fonseca and Scott & Mary Kay Stephens did a fantastic job! A huge "THANK YOU!" for a job well done!

If you would like more information about the club, please email Carolyn at FullertonHilltoppers@gmail.com

VOLUNTEER SPOTLIGHT

Shining a Light on Our Volunteers

Features:

GREETER TEAM

Team Lead: Catherine Villasenor, 6-year member

Team Members: Approximately 30 Greeter team members volunteer on a rotation schedule on Tuesdays, Wednesdays, Thursdays, and Fridays.

This month's Volunteer Spotlight shines on the team members of our Greeter Program. Greeters fulfill a fun yet essential volunteer role for the Lodge as they are the first to greet Elk members and their guests, and confirm authorized entry to our Lodge.

With a smiling face and a friendly welcome, Greeters request all Fullerton and visiting Elk members to proudly present their current Lodge membership card to enter our Lodge as required per Grand Lodge Statutes and our Fullerton Lodge By-Laws. If a member identification card is unsigned, the cardholder will be asked to sign it at the door and donate \$1.00 to Purple Pig in the foyer.

Greeters are also integral to confirming that any and all guests are properly signed in to our Lodge Guest Book by the hosting Elk member. This process is imperative to ensure compliance and good standing with California Alcohol and Beverage Control as a private club, as well as, our statutes and by-laws.

We are very appreciative of our current Greeter Program team members. They currently include: Denise Barnes, Barbara Becka, Debbie Browning, Carole Bruns, Cathy Capps, Donald Dyer, Lyn Foster, Henry Garcia, Ruben Gomez, Jorge Guidi, Sarah Guidi, Anna Hanlon, Mitch Hanlon, Carole Herndon, Bonnie Logan, Al Medina, Debbie Medina, Denise Mitchell, Bob Muschek, Donald Peko, Annie Ramirez, Mary Rinaldi, Joe Rosenberg, Carolyn Rosenberg, Karen Seeley, Kayleigh Sharp, Steve Shough, Scott Townley, and Cruz Uriarte.

Catherine Villasenor is our Greeter Program Chair. She does a fabulous job organizing the Greeter schedule and training Greeter volunteers.

As our Greeters are fellow members and volunteers, all are asked to support and be respectful of their role and responsibilities.

Members who are friendly, looking to meet more members and interested in the important Greeter role regarding entrance to our Lodge may contact Catherine Villasenor at 213-705-1814.

For more volunteer opportunities contact Cory Brown kg6ep@verizon.net or Irene Marciano 714-507-5793.

August Initiation

19 New Elks with Enthusiam!

August saw the Fullerton Elks Lodge 1993 grow for
the 8th month in a row this year!

Reach out to our new brothers and sisters with a
handshake, a hello, and some nice conversation in
the lounge

OCTOBER 2022 - FRIDAY NIGHTS

DINNER 5:30–7:30

MUSIC 6:30–10:30

OCTOBER 7 – THE 5 STAR BAND ‘exploded’ at the Fullerton Elks Lodge and have become a crowd favorite. With several vocalists and a variety of instruments, their assortment of Rock, Pop, Blues, Swing & Country is ALWAYS a delight!

OCTOBER 14 – ONE LAST SHOT

surprised us all with their outstanding performances of all our favorite pop, rock, Latin, and swing tunes. You won’t want to miss this high energy band as they return to Fullerton Elks Lodge!

OCTOBER 21 - LOU APODACA is a favorite at Elks Lodges all over Southern California. He rocked our Lodge at our Wine Tasting Party in June and entertained our CHEA visitors in July. With a wide range of Country/Pop/Rock, Lou has rapidly become a most requested entertainer at our Lodge.

OCTOBER 28 – THE ROCK-ITS are BACK!

If you grew up in the 60’s, you’ll remember them as the CA beach band, the “Chan-dells”, opening for Sonny & Cher, Little Richard, and Jan & Dean. They are Talent PLUS, and always a sell-out, so make your reservations early!
