## From Our Exalted Ruler

Dear Brother and Sister Elks

When we think of the Elks, we might think of the great charity work our organization does or the social aspects of the lodge. But did you ever consider that being an Elk might be good for your health?

A recent study by the CDC examined the effects that loneliness and social isolation have on individuals' mental and physical health. The study found that people who are lonely and isolated have a 50% greater risk of dementia and premature death. These numbers rival those associated with smoking, obesity, and physical inactivity. The study also found that one-third of adults aged 45 and older feel lonely, and nearly one-fourth of adults aged 65 and older are socially isolated. Older adults are at an increased risk due to factors such as living alone, loss of family or friends, chronic illness, and hearing loss. Unfortunately, cases of dementia and Alzheimer's are on the rise and affect over 6 million people in the United States every year.

Many of you may know someone who lives alone, who has had a spouse that passed away or someone who is recently retired and no longer has the daily social interaction they had when they worked. This presents the perfect opportunity to invite them up to our lodge, showcase what we do for our community and all the fun they can have. You will not only be helping someone make new friends, but you might also be helping them improve their health.

Fraternally,  
Bill Swaim  
Exalted Ruler

Be Proud to be an Elk

## From Our Loyal Knight

To Be a True Patriot

If I say someone is a true patriot, I have a clear idea of what that means and what it means to not be a patriot.

This is a word that is really conditioned by what our set of values is and what we think we're fighting for.

The values of being a patriot for those who had nativist and nationalist ideologies meant that America came first and foremost.

Anyone against that particular set of values was seen as a threat, even if that threat was the US government.

True patriotism is loving the country, preventing damage to the country, working for the country, protecting the interests of the country. True Patriot

George Neri

## From Our Leading Knight

Yes,

As am I writing this and enjoying the lodge air conditioning and praying for cooler temps, I am looking forward to fall this year. There is so much to look forward to in Elksdom, so many activities. Check out the flyers and the calendar. Let's have a little fun and get away from business!!

Did you know that: (1) Bobbing for apples started as a UK dating technique. (2) Candy corn was originally called "chicken feed", (3) Thanksgiving gave us the TV dinner, (4) "Monster Mash" was banned in the UK, (5) Thanksgiving's date was set to help Great Depression recovery

Early pumpkin pies had pumpkins as the crust  
Trick-or-Treating goes back to the Celts  
Jack-o-lanterns come from an Irish legend Americans used to celebrate Oct. 31 by sending Halloween cards.

Now that you are up on your Autumn trivia, come up to the lodge on Sunday Funday and start a trivia game. You will find out who has read this article

Have a wonderful October!

Your Leading Knight,

Karen Seeley

## From Our Lecturing Knight

From the Station of the Esteemed Lecturing Knight

"October is crisp days and cool nights, a time to curl up around the dancing flames and sink into a good book." I love October as it brings the joy of upcoming holidays, time with family and friends, sharing memories of loved ones gone to soon. Enjoy each day as a gift and reach out to those less fortunate.

I can't find words to "Thank" all our amazing volunteers, our members who support our lodge by attending our weekly meetings, dinners, our new and exciting Sunday Funday, Bingo, Brunch & events. Plus, we have some exciting and fun events coming up! We hope you reach out and volunteer. Please give me a call at 714-507-5793. I'm certain you will make great friends and have fun.

I was recently at the lodge and one of our members approached me as we were bussing tables and she was taking her dishes to the buss tub. I "Thanked" her for helping us and she wisely told me "You know Irene when any of us walk through that front door we should all remember to be a volunteer and help wherever needed." So true!

I hope everyone has a memorable October. We have some great events coming up! Check your Weekly Happenings email. Maybe, you will be greeted by our lodge mascot, Elroy Elk! Did you know we were able to purchase Elroy's costume through the hard work of our Friday Dinner volunteers and the generous tips of all our members and guests who attend Friday Dinners? Thank you all so much, you're so very greatly appreciated!

In closing remember to "Grasp the Hand in Friendship"

## ELKS NATIONAL FOUNDATION SCHOLARSHIPS

The Elks National Foundation (ENF) is now accepting applications for the 2025 “Most Valuable Student” and the “Legacy Award” scholarships. Applications for both scholarships will be applied for online. This year applicants will be given their choice of five nearby lodges in our Orange Coast District to pick their affiliation. Our Lodge Judges will be able to see the objective scoring previously not revealed to judges. Objective scoring includes points for academics, community services, honors and awards, financial need, extracurricular activities and employment. 24 hours after submitting our Lodge scores, we will be notified who will be advancing to the next level of judging.

### “Most Valuable Student” Scholarship

The “Most Valuable Student” Scholarship is open to any high school senior in our District who is a US citizen. They do not have to be related to an Elks member. Applications will be judged on scholarship, leadership, community involvement, and financial need. Selection begins at the local level and progresses through district, state and national competition. 500 scholarships will be awarded in late April 2025 with many of them being \$4000 awards (\$1000 per year). Interested students may apply at [enf.elks.org/mvs](https://enf.elks.org/mvs). The Online application deadline is November 12, 2024. Our scholarship judges will have between December 2nd and the 19th to evaluate submissions.

### “Legacy Awards” Scholarships

The “Legacy Awards” are awarded to college bound high school seniors who are children or grandchildren of Elks members. 300 scholarships of \$4000 will be awarded in 2023. This is a statewide competition. Applications will be judged on the values of knowledge, charity, community service and integrity. The Online application deadline is February 3, 2025. The judging committee will be appointed by the Elks National Foundation Board of Trustees. Interested students may apply at [enf.elks.org/leg](https://enf.elks.org/leg).

## Fullerton Hilltoppers Camping Club News

The Fullerton Hilltoppers had a wonderful weekend at the San Diego KOA resort! Perfect weather, along with our awesome wagon masters, Gigi Maidlow & Kathy Novikoff made the outing a huge success. Hawaiian themed trivia along with a true/false game filled the evening with fun and laughter. No one knew that the answers had to match our own Alex and Jocelyn? It was a game of "He said, She Said"!

Gamers had fun playing Bunco followed by a serious corn hole tournament won by Danny & Joe! Later the group dined on a scrumptious Hawaiian dinner & desserts - topped off with Tawnya's hot homemade donuts. You never go hungry at one of our campouts!

If we want to go back next August, we need a wagon master. Sharing the work of wagon master (camp host) makes our campouts fun for all! Please consider volunteering, if you aren't already signed up for a 2025 camping trip!

Our raffles, along with donations from Don Durgin & Frank Tra-blousi totaled \$715.00! We have a wonderfully generous group raising money for the special needs kids (CHEMPI)!

## *"It's Your Lodge, Take Care of it the Way You Want."*

In 2017 I'd been a member of the lodge for about a minute. As I was new and really didn't know anyone yet, I was sitting at the end of the bar all by my lonesome having a couple of barley and hops sodas. All of the faces in this bustling lodge left me feeling a little intimidated, like the new kid in school. I remember turning to survey the dinner that was taking place and noticed tables that needed to be cleared. I didn't want to overstep my bounds by picking stuff up, so I asked Cory Brown if it was ok if I bussed some tables. Cory said something I'll never forget, "it's your lodge, take care of it the way you want". I took his advice and helped clean up that night. It was fun and easy, no pressure. The servers and the guests were most appreciative. By the end of that night I even knew some peoples' names. Just like that I started to make new friends at the lodge. From that point I got involved helping on Friday dinners, special events, bingo and many other things. On Fridays I got to know Irene Marciano, the Friday night crew & many dinner guests. My buddy Dennis Olson became an Elk and started volunteering his knowledge of audio-visual systems. I became friends with Pete Murrieta and Bill Swaim, working with them on any number of projects. The three of us eventually shanghaied John Sigler as a coconspirator and the four of us continue to recruit.

The moral of this story is not "be an Elk and volunteer a whole bunch", only weirdos do that. No matter how much or how little time you give, it's how much fun you can have, how many friends you can make, and the personal benefit gained by volunteering. Every one of our members have skills and abilities that can benefit the lodge, our charities and themselves. From Chair Officers to Greeters, committee persons, event planners/helpers, new initiate interviewers, building repair, food prep, servers & bussers, the list is endless. My personal favorite is the person who walks up to a new member sitting alone and invites them to come have a seat at their table.

Volunteers are the heart of our Order and our lodge. "It's your lodge, take care of it the way you want" allowed me to realize that and has served me so well as an Elk. If you want to get the most out of being an Elk, give a little bit to the lodge. If you want to learn more about volunteering please contact Irene Marciano, Bill Swaim, Pete Murrieta or any Trustee or Officer. Don't come asking me though, I'm going to be sitting at the end of the bar having some barley and hops sodas, and now I'm sitting with all my dear friends.

Darren Baker- Presiding Justice

I believe that we all enjoy seeing reports of our Lodge's charitable community efforts in print in the Elks magazines and in other local media. This is made possible only when our various Chairpersons provide information and photos. As your Public Relations Chair, I enjoy publicizing our charitable activities. This all depends though on the efforts of others. The purpose of this month's article is to encourage all to help your Public Relations / Publicity Committee promote Fullerton Elks and the Elks organization, where one "...stated purpose is to practice the virtues of charity, justice, brotherly love, and fidelity." Let us inform the community about what we do! Please try to remember your Committee after your event. And, we are always looking for volunteers to help! Members who would like to become involved are encouraged to contact Cory Brown at [KG6EP@VERIZON.NET](mailto:KG6EP@VERIZON.NET). [kg6ep@verizon.net](mailto:kg6ep@verizon.net)
