## From Our Exalted Ruler

Happy Elk New Year!  
I am so humbled that you, the members of Fullerton Elks Lodge #1993, have chosen me to be your Exalted Ruler. I look forward to spending much time with all of you and our great officers as we continue to grow our lodge on the foundation that was built by those who have led before me. I have heard many people say that they won't come up to a function or even just to visit the lodge because they are by themselves because they don't know anyone.

"You've got a friend in Elkdom" is the theme for this year. I want you to know that this year when you come up to the lodge, you will always have a friend waiting for you there to shake your hand, to give you a needed hug, or just someone to share a smile and listen to you. Once you have made one friend there will be many others to follow. Come and see!

This will be the year where we make friends and have fun while we get the work done. I am looking forward to sharing a meal with you, dancing on the dance floor with you, laughing with you and being charitable in our community with you.

This is YOUR lodge! Come and enjoy! Remember community and friendship are the food to our souls.

Your friend and Exalted Ruler,  
Karen Seeley

## From Our Leading Knight

My eyes and ears have opened, as tragedy has stricken our communities.

As a police officer, I believe in the power of community policing. We must look beyond law enforcement and build strong partnerships with the people we serve. This requires being present in neighborhoods, listening to residents' concerns, and working together to address the problems that affect our communities.

One of the most valuable tools at our disposal is the ability to build relationships with the people we serve. We must be approachable, friendly, and willing to listen. By getting to know our neighbors and understand their needs, we can better serve their needs and build a stronger sense of trust.

My department is committed to investing in community initiatives, crime prevention education, and neighborhood watch groups. These initiatives foster a sense of ownership and responsibility for the community's safety. By working together, we can create safer, more vibrant neighborhoods for everyone.

These guidelines apply to our Elks Lodge as well. The path to building a strong community is a journey, not a destination. We must be open to feedback, adapt to changing conditions, and continue to seek ways to improve.

Esteemed Leading Knight,  
George Neri

## From Our Loyal Knight

Hello everyone,

I am humbled and honored with the title of Loyal Knight of Justice! This recognition means so much to me, as it celebrates my dedication to fairness, honesty, and doing the right thing. Being a Loyal Knight of Justice is not just about the title; it is about the responsibility that comes with it. It is about being a beacon of hope, a symbol of integrity, and a champion for those who cannot fight for themselves.

I want to extend my heartfelt gratitude to everyone who has supported me on this journey. Your encouragement has been my greatest source of strength. I am committed to continuing this path, advocating for justice, and making a positive impact in our community, one step at a time.

Together, let's strive to create a world where justice prevails, and everyone is treated with respect and dignity. Let us continue to stand together, to support one another, and to work tirelessly towards a brighter, more just future. Thank you for believing in me and for being a part of this incredible journey. Together, we can achieve greatness and make a lasting difference in the world.

With heartfelt gratitude,

Imelda Hunkin  
Esteemed Loyal Knight

## From Our Lecturing Knight

Hello from the station of Brotherly Love. As most of you know, I was the Exalted Ruler at Fullerton for the 2021-22 Elk year. I have decided to go through the chairs again for two reasons. One reason is I really enjoy being an Officer at the lodge. It keeps me connected to the activities at the lodge and I love the group of Officers and consider them my friends.

The second reason is we don't have many members that are stepping up to serve as Officers. We always need new members to be Officers. In the past years, our lodge has not had a complete set of Officers. For the Appointed Officers; Esquire, Chaplain, etc., there should be at least one assistant. Seriously think about becoming an Officer, especially the new members that have joined this year. All you have to do is ask any of the current or new Officers. We need some new friends.

Dana Antolin, PER

## Fullerton Hilltoppers Camping Club News

The Hilltoppers headed north to the Orange Grove RV Park in Bakersfield for their February outing. Parked among the Orange Trees, campers picked bags of oranges to enjoy during their stay as well as taking some home to share with family and friends. Fresh squeezed orange juice enhanced the Saturday morning happy hour! A short trip to the nearby fruit and nut store is always an adventure to taste samples and drink date shakes.

The weekend was filled with the campers' favorite card games including Texas Hold'em and Pass the Trash. The sunny weather was perfect for two rousing games of Bocce Ball giving both the Red and Blue Teams each a win!

Potlucks are always a hit at the campouts. Many thanks to Anthony F. for the morning donuts and Jim P. for the boxes of Subway sandwiches which went well with all the other camper's dishes. Wagon Masters, Joe and Carolyn along with Co-Wagon Masters Fred and Debbie hosted a delicious baked potato bar with all the toppings on Saturday night. Next month: Pechanga RV Resort!

For more information call your Chairperson Alex Thompson at 714-713-6293 or email us: [fullertonhilltoppers@gmail.com](mailto:fullertonhilltoppers@gmail.com)

- The American Red Cross must collect nearly 13,000 blood donations every day for patients in need.
- Blood products are perishable and cannot be manufactured; they can only come from volunteer donors.
- 16-year-old students are eligible to donate blood with a signed parental consent.
- Cancer patients use nearly one quarter of the blood supply – more than patients fighting any other disease.
- A single car accident victim can require as many as 100 pints of blood.
- **A diverse blood supply is important! A patient is more likely to find a compatible blood match from a donor of the same race or a similar ethnic group.**

## FULLERTON ELKS LODGE CLEANING & SANITIZING BY VOLUNTEERS FROM NO LIMITS LEARNING

Students from the No Limits Learning Center in Brea have recently been volunteering lately to clean and sanitize our tables and chairs and kitchen utensils.

This is part of their community service program. They also help set up the chairs for meetings and other events. If you see these young students be sure to thank them for their efforts and dedication. They help make our lodge cleaner and it is great to see their young faces around. Our own Nate Fonseca attends this school and you will probably see Nate joining this group providing this cleaning service. See the photos below of their organizer Jeff and these young adults busy at work.
