The Fullerton Elks Hilltop Bugle is a national award winning Elks publication! We could use your help with graphic design for our various flyers and advertising. Let your creative star shine!

Please Support Our Lodge

From Our Exalted Ruler

The dust is starting to settle, and our officers are getting down to work. We celebrated with a wonderful Installation where we were supported by a packed lodge room of members. We also kicked off the year with a fantastic Mardi Gras Party. It was a sold-out event. Thank you to all those who helped make it an event to remember and all those who attended and danced the night away.

Now it's time for the real fun to begin. We are making sure our lodge is operating efficiently; new members are continuing to be welcomed, and events are being planned for all to enjoy.

We have a lot of upcoming events. In May we will perform at the Ritual Competition. Come and support your officers. We also have the CHEA Convention in our backyard. It is in Anaheim. Come and watch our own Scott Stephens be sworn in as the next CHEA State President along with his wonderful First Lady, Mary Kay. We will also be celebrating moms. Please join us on Mother's Day for a special brunch put on by our Brunch Team. And of course, we will remember those who

sacrificed their lives for us. Come enjoy Memorial Day with us; we will have food and entertainment as we remember. Please check the calendar for all these happenings.

We are in the process of planning events for the rest of the year. If you have ideas or would like to be involved on one of the event committees, please reach out to me, or Dave Judy, our Activities Chairman. We would love to have you get involved.

One last thing, our lodge is run by volunteers. Please remember to give them a smile and a thank you. We would love for you to also join us as a volunteer. There is a place for all of you. What is your passion? Where can you jump in? We are eager to have you play with us!

You have a friend in Elkdome,

Karen Seeley

Our Amazing Flag

The United States flag, like most of the flags we find around the world, has a special significance because its design is closely linked to the values and ideology that the country itself seeks to reflect.

This flag is also known as the "Stars and Stripes," "Old Glory," and "the Star-Spangled Banner," and it represents not only the country's government but also the ideology on which American society is founded.

No one knows for sure the true origin of the American flag, but it is speculated that its primary designer was Francis Hopkinson, who, along with seamstress Betsy Ross, created the first American flag.

The design was decided at a conference held in June 1777, when it was established that the flag had to contain: 13 alternating red and white stripes, 13 white stars on a blue background. The number 13 comes from the fact that, at that time, there were 13 colonies in the United States that wanted to become independent from Great Britain, and therefore, they created this symbol that defined them as a homeland distinct from England.

On June 14, 1777, this design was approved, and since then, this day has been known as "Flag Day."

From Our Loyal Knight

JUSTICE is the heartbeat of our society, ensuring that **FAIRNESS**, **EQUALITY**, and **MORAL RIGHTEOUSNESS** thrive.

What's Justice Anyway?

Justice is like the ultimate referee in the game of life, making sure everyone plays fair and square. It's the glue that holds our society together, ensuring that fairness, equality, and moral righteousness don't go out the window.

At its core, justice is all about doing the right thing based on ethics, rationality, law, natural law, religion, equity, and fairness. It's the process through which people get what they deserve, whether it's a pat on the back, a slap on the wrist, or a big shiny trophy. Justice isn't a one-size-fits-all concept; it changes depending on where you are, and what laws you're under. It's all about creating a society where everyone has equal opportunities and access to resources. Social justice warriors (the good kind) work hard to break down barriers and promote inclusivity, equity, and respect for all.

As we move forward, it's important to stay alert and proactive in our pursuit of justice. By embracing diversity, promoting **FAIRNESS**, and standing up for the underdog, we can build a world where justice isn't just a dream, but a reality for everyone.

Justice is more than just a legal or philosophical concept; it's a human aspiration. It shapes our interactions, influences our institutions, and defines our moral compass. In striving for justice, we honor our shared humanity and lay the foundation for a more equitable and compassionate world. Let's work together to accomplish this endeavor.

JUSTICE

From Our Lecturing Knight

Hello from the Station of Brotherly Love.

There are a few members that work really hard to present events here at our lodge, either for fundraising or holidays. The biggest challenge that we have at the Fullerton Elks Lodge is that our members wait until the very last minute to buy tickets to these events. Don't get me wrong, we love to have members buy tickets and support the lodge, but it is frustrating.

Here is an example, New Years Eve is on the same day every year, and we close the lodge for the week of Christmas every year. We told everyone that ticket sales stopped the day before we closed for Christmas. On December 30th, we had sold 120 tickets, which is wonderful, but by the next day the count was over 185. Members were calling the office pleading to get tickets, and because we have very nice and understanding office staff, they allowed those 60+ members to go to the party. Also, we were very lucky that we had the space and food for the extra members.

Imagine that you were hosting a party at your home, and you had already gone to the store and bought enough food for the friends that you invited and then double the number of people showed up. You would feel terrible because there would not be enough food, and you would be challenged to fit these extra people in your home.

Respect and Understanding is a part of Brotherly Love. Please plan ahead and buy tickets early for lodge events so that we can plan properly.

Thank you
Dana Antolin, PER

Public Relations / Publicity Committee News

"We make a living by what we get, but we make a life by what we give." - Winston Churchill

The charitable efforts made by this Lodge in our community were recently mentioned three times in the Elks National Magazine! There are approximately 2,000+ Lodges in the BPOE, so we all should be proud of the work done by our volunteers. Even with such stiff competition, we were recognized for these endeavors! We were able to publicize these efforts because information was provided to the Public Relations/Publicity Committee. This is a gentle reminder to Lodge Committee Chairs to submit timely details of your charitable events. The rest of "Elk World" should hear of this Lodge's charitable work. This committee is always looking for volunteers, so if you are interested, please contact Cory Brown at KG6EP@VERIZON.NET.

Biography for California-Hawaii Elks Association President Scott Stephens

Scott Stephens was born in Detroit, Michigan. After finishing school, at 22 years old, he picked up and moved to California. This turned out to be one of his best decisions, because he met the love of his life, Mary Kay a few years later. They were married in 1987 and have 2 adult children. They spend their time enjoying family, friends, cruising and Elkdome.

Scott has been a member of the Fullerton Elks Lodge #1993 of the Orange Coast District (the OCD as he affectionately refers to it) for 30 years, where he and Mary Kay, have been very involved. He became a Greeter almost immediately and volunteered on the Sunday Brunch committee for 10 years (the last 3 as Chairman). He Chaired their Christmas Tree Lane program for 12 years, hosting 500-600 people & raising approximately \$15,000 annually. He helped at VA Hospital visitations, picnics, and many other lodge programs and was named Elk of the Year in 1999.

Scott became Lodge Chaplain 6 years after joining, then served as Esquire and every Chair Officer position. He was awarded Officer of the Year along the way and became Exalted Ruler in 2003-2004 where he adopted his motto, "Sold on Elkdome". To this day Scott has a great appreciation and respect for the Initiation Ritual, receiving 6 First Place Ritual Trophies (1 All State). He attained his Floor Judge's certification as a Jr. PER, served as a judge for several years and was the Lodge Ritual Coach for 8 years (still helping today). For the past 5 years (and to this day) he's been the editor of the lodge's monthly newsletter, manages the Lodge and District Facebook pages and is the Caller, Emcee & Auctioneer for many Lodge & District fundraiser events.

He served on the District Veterans Committee for 2 years, was the District Americanism Chairman, was Photographer for 2 District Deputies and CHEA Pres., Art Echternacht. Scott served as Esquire to the District Deputy Grand Exalted Ruler in 2015-16. During that time, he was also one of the top ENF fundraising District Chairs in the country for 3 years, and #1 in CHEA for 2 of the 3. The Orange Coast District raised \$364,667 during those 3 years. He and his wife have also raised over \$37,000 for CHEMPI and ENF by hosting 9 cruises over the last 16 years.

At the state level, Scott served as CHEA Vice President for the Orange Coast District (attending all 19 visits, with President Chuck Nolan). He has served as CHEA ENF Vice Chair, in charge of Grants. During which time California-Hawaii Elks Lodges increased their Grant usage by 42 grants, which brought \$278,500 more into our communities. He served 3 years on the CHEA Board of Trustees, finally as its Chairman, and this past year as the CHEA 1st Vice President.

At the Grand Lodge level, Scott served as the Orange Coast District Deputy Grand Exalted Ruler and by Grand Lodge Executive Order, he served as a Special Representative for a neighboring Lodge then was their Lodge Advisor for 6 years. He is currently serving as a Co-District Leader.

As mentioned earlier, Scott's motto is "Sold on Elkdome", because that's what the Benevolent & Protective Order of Elks, deserves from us. Someone once said, "Service is the rent we pay for the space we occupy." Will you serve the Elks a little more, by being SOLD on ELKDOM?

- The American Red Cross must collect nearly 13,000 blood donations every day for patients in need.
- Blood products are perishable and cannot be manufactured; they can only come from volunteer donors.
- 16-year-old students are eligible to donate blood with a signed parental consent.
- Cancer patients use nearly one quarter of the blood supply – more than patients fighting any other disease.
- A single car accident victim can require as many as 100 pints of blood.
- **A diverse blood supply is important! A patient is more likely to find a compatible blood match from a donor of the same race or a similar ethnic group.**
