From Our Exalted Ruler

Yay! It is officially summer this month. We celebrate our flag, fathers, my birthday (LOL), graduates, and the first day of summer. It is a wonderful month.

The last 30 days have flown by, and we have been so busy. The officers practiced and participated in the Annual Ritual Contest. Thank you to our coaches, Scott Stephens, CHEA President; Dave Lawhorn, PDDGER; and Alan Kelley, PER. We appreciate your time and guidance. Thank you to the trustees that made sure we had a great time at the Tailgate party. Also, thank you to all

the members that came and supported us all along the way.

Then we had the CHEA State Convention in Anaheim. It's unbelievable how much work goes on behind the scenes to put it on. Thank you to all our members who helped before, during, and after. We were so proud to have our very own Scott Stephens sworn in as the CHEA State president and his wonderful First Lady, Mary Kay. They will represent us well as they travel the state and Hawaii!

Please check the Bugle so you don't miss out on all the happenings, such as the Flag Day Ceremony, Father's Day breakfast, Day of Music, and the Blood Drive. And some of us will be preparing to go to Grand Lodge in Kansas City! I can already taste that BBQ!

Along with all the fun events, we have our meetings on Thursdays. They are fun too. It does pay to come to meetings. I would love not to have so many people listed in the Crying Corner. We have been initiating approximately 20 new members a month. Come to the meetings and find out how your lodge works. Dinner before and fellowship afterwards is a great way to make new friends.

Well, you know where you can find me . . .
yes, on the dance floor on Friday nights.
Come and join me!

You've got a friend in Elkdom,

Karen Seeley

The Real Significance of Charity

When we consider giving to a specific charity or organization, we must act with wisdom and discernment. God does not call us to give blindly for every need, but to seek His will in the matter. We must be good stewards and do everything possible to ensure that the time and money we donate to charities are used well.

Most charitable institutions were founded on the true concept of charity. Indeed, everyone who gives their time and money to charitable acts does so out of a genuine desire to help others; but sometimes, the act is overshadowed by the very human desire to glorify what we've done in search of approval. This search for approval reveals the lack of charity we have for ourselves and demonstrates the weakness of our self-esteem.

In conclusion, charity in modern society is presented as a fundamental pillar for addressing social problems and promoting collective well-being. Its importance goes beyond monetary donations, encompassing a comprehensive approach that includes time, effort, and the willingness to help others.

From Our Loyal Knight

There are numerous celebrations in June, but only a few will be highlighted.

June 14 - Our Flag Day

Grand Exalted Ruler, Henry A. Melvin, in his report to the Grand Lodge in 1907, recommended the observance of Flag Day by the Benevolent and Protective Order of Elks. This initiative made the Benevolent and Protective Order of Elks the first fraternal organization to observe Flag Day. We celebrate over ninety-four years since the Grand Lodge's 1907 designation of June 14 as Flag Day, which was followed in 1911 with the Order's approval for mandatory observance by all Lodges. Therefore, remember to display our Flag proudly on this day.

June 19th – Juneteenth, National Independence Day, is a federal holiday in the United States. It is also known as Juneteenth Independence Day, Freedom Day, and Emancipation Day. It commemorates the end of slavery in the United States.

Additionally, June marks the beginning of the summer months, providing an opportunity for fellowship and quality time with family. It is an ideal time to visit relatives who you have not seen in a while and rekindle your relationships. In my observation of the Fullerton Elks Lodge, members with families far away have made the Lodge their family and home. Summer is an important period for families to spend time together and strengthen familial bonds. Let us continue this fellowship and respect our family at the Lodge, not only throughout the summer, but throughout our "Elkdom" lives.

JUSTICE

From Our Lecturing Knight

From the Station of Brotherly Love...
and Friendly Competition

Many of us at the lodge wear a few hats, and one of my hats is to act as the co-chairman of the Rick Ross Elks Olympic Games. I co-chair the games with our very own First Lady, Carrie Piche. You will be hearing Carrie and I talk about the Elks Olympic games in the coming months. In case you didn't know, Fullerton 1993 won first place overall in the Elks Olympic

games last year, and we want to keep it that way this year. We want everyone at Fullerton 1993 to participate this year so that we can keep the trophy at our lodge.

Last year, we found out that we had some very talented "athletes" here at the Fullerton Elks lodge. John Tilleroy and Chris Amreim won a gold medal in ping pong, and we have a few very talented marksmen that won gold in pistol/rifle shooting.

Throughout the summer, we will have some practice sessions on Sunday Fundays for the events that we can do here at the lodge, such as corn hole, darts, billiards, beverage pong, and tray races. There are 21 different "sports" that you can participate in, from pistol/rifle shooting to tray races. This year, we are adding archery to our list of sports. The list of all sports is posted on the Elks Olympics flyer that is in this newsletter. There is a "sport" for everyone. Find one that suits you!

The signup sheets will be out in a few weeks. The events are scheduled for September and October of 2025. We hope that you seriously consider competing in an event for Fullerton Elks Lodge #1993.

Public Relations / Publicity Committee News

This June 28th, Bill and Martha Repp will celebrate their 50th wedding anniversary at our Lodge. Bill and Martha have a history with the Fullerton Elks Lodge; they were married at Christ Lutheran Church and had their wedding reception at the 'old' Fullerton Lodge on the hill June 28, 1975!

They met in a Spanish class at Brea Olinda High School (she thought Bill was cute), yet did not meet again and start dating until after college. They remember the previous Lodge building as having a lot of windows that faced south, and it had a sit-down dining room with an open bar. The Fullerton Elks Lodge brings back good memories and is a convenient location for those in the Southland who will be attending their celebration. They are looking forward to making more great memories, and of course to a meal by Chef Z.

Approximately twenty years ago, our Lodge was demolished to make way for the current facility that we now enjoy. While Bill and Martha are not Elks, they learned about the Lodge years ago from her mom's boyfriend, who was a member. If you see them sometime at the Lodge, be sure to congratulate them on such a wonderful milestone event. Who knows, they may even decide to join!

Investors Exchange Club

We meet on: Wednesday 6:00 – 7:00

We invite Elks and/or their spouses to join. We will be adding more available times as our club grows. The purpose of our group is to help Elks to:

- Learn more ways to improve your cash flow.
- Learn how to analyze your current & new investments.
- Stop paying others to manage your money if you choose to.
- Enable members to be able to control their own financing.
- Gain knowledge in Fixed Income, Real Estate & Stocks.

Volunteer members will exchange their knowledge and experience with our group. Members of the club can be first-time investors or very experienced. (Or anywhere in between.)

Our Club Rules:

1. No fees will ever be charged. (ELKS CARE – ELKS SHARE)
2. Members are not allowed to promote their own business.
3. Members will not try to change your style of investing (Conversions, etc.)
4. Volunteer members will provide free investment articles & books.

To become a member of our group, attend one of our meetings, or email Bob Harraka at: bharraka@me.com

Please invite a friend or family member to join us at our next meeting.

We are here to help.

FULLERTON ELKS SPECIAL CHILD BUNNY HOP

On Sunday, April 27th, 2025, the Fullerton Elks hosted its annual Bunny Hop party for special needs children. Forty-Eight volunteers generously offered their time and donations to make this party a huge success.

Twenty families and their children participated, with an attendance of more than eighty people. The families were treated to a grand Sunday brunch, including omelets to order, a baron of beef, ham, fruit, potatoes and our own amazing waffles. A DJ played music, and many of the children, including those with walkers and wheelchairs, participated in the Bunny Hop, the Hokey Pokey, and other more modern dances. We had a few disco kings and queens in the group who partied all afternoon.

One of the parents told us that this is the only place she can bring her special needs child and totally relax. He is assured of a good meal, and she knows that he will also have a great time.

The Fullerton Elks Special Child Program has been on-going since 1985 and currently sponsors four parties yearly for these families.

Kealoha is the proud mother of two daughters, Kauai and Noe, and a loving grandmother to her grandson, Jameson. In July 2022, Kealoha married Robert Jenkins, celebrating their union surrounded by family and friends.

Kealoha became a member of the Orange Elks Lodge in April 2015. She served as First Lady to Walt McBride, PER, in 2016 before beginning her journey through the Officer Chairs. In 2019–2020, she served as Exalted Ruler of the Orange Lodge, proudly representing what she calls the "Best ER Class Ever." Her leadership continued beyond the lodge; she also served as the District Elks National Foundation Chair and as the CHEA National Foundation Chairman. She also had the privilege of serving as Esquire to District Deputy Grand Exalted Ruler Allen Bisbee.

Before joining the Elks, Kealoha lived in Honolulu, where her passion for community service took root. She volunteered with the Waikiki Improvement Association, helping organize major cultural events such as the Waikiki Spam Jam, Duke Kahanamoku Ocean Festival, Aloha Festivals, and Brunch on the Beach — all events that celebrated and shared the rich culture and history of the Hawaiian people.

Kealoha also served on the Board of Directors for Habitat for Humanity in Leeward, Oahu. She played a vital role in helping multigenerational families transition from homelessness to stable housing, working hands-on to help build homes and lay strong foundations for their futures.

Today, Kealoha and Robert are honored to serve as the California-Hawaii Elks Association (CHEA) Vice President and First Gent for the Orange Coast District. They are proud to promote the theme of CHEA State President Scott Stephens, working to ensure that our members are truly "Sold on Elkdom!" They look forward to a productive year supporting the Orange Coast District Chairmen and Vice Chairmen. Kealoha's personal motto is: "Share the Aloha for Elkdom!"

Aloha represents a spirit of kindness, compassion, and positive connection. By sharing the Aloha, Kealoha believes Elks can foster a greater sense of community and generosity — supporting veterans, uplifting children, and addressing vital needs through service and grants.

- The American Red Cross must collect nearly 13,000 blood donations every day for patients in need.
- Blood products are perishable and cannot be manufactured; they can only come from volunteer donors.
- 16-year-old students are eligible to donate blood with a signed parental consent.
- Cancer patients use nearly one quarter of the blood supply – more than patients fighting any other disease.
- A single car accident victim can require as many as 100 pints of blood.
- **A diverse blood supply is important! A patient is more likely to find a compatible blood match from a donor of the same race or a similar ethnic group.**
