## From Our Exalted Ruler

So many times, I am asked, "What is Elksdom all about?" I want to share with you the experience that I had in Elksdom this past month. I was able to live, see, and experience the principles of charity and brotherly love firsthand.

On May 16, 2025, we lost one of our Special Children, Amelia Grace Castellanos. She was only seventeen years old. She had been a part of our family for the past ten years. Not just Amelia, but her parents and three younger siblings were also part of our Special Child family. With the sudden passing of Amelia,

her family was caught off guard by the exorbitant cost of her funeral. Our lodge heard about this and jumped into action. Donations were made by passing a hat around on Wednesday and Friday nights, and we did a blanket drop at our Thursday night meeting. In addition, we donated the Friday night dinner tips and collected donations from our bingo players. Also, the band Coyote Sunrise generously donated their paycheck and tips to the cause, and they entertained our Friday night dinner guests for free. Everyone's generosity was overwhelming, to

say the least.

When we attended Amelia's funeral, we were able to hand the family a check for \$5,500.00. They were beyond grateful and were so very thankful. Knowing that we, as Elks, made their life a little bit easier made my heart swell. At that moment I saw the fingerprint of God!

So, what is Elksdom all about? This story is one answer to that question. So, I say once again, thank you! I am so grateful for our Elk family, for your big hearts, and your amazing generosity. God bless each and every one of you!

You've got a friend in Elksdom,

Karen Seeley  
Exalted Ruler

## From Our Leading Knight

4th of July for a Soldier

For a soldier, the Fourth of July, or Independence Day in the United States, signifies the birth of the nation they serve and defend. It is a day of celebration, reflection, and patriotic pride.

On July 4, 1776, the Continental Congress adopted the Declaration of Independence, marking the beginning of the American colonists' struggle for freedom and self-government. For a soldier, this

day represents the founding of the nation they defend, the values of liberty and democracy they represent, and the history of sacrifice and determination that has guided them.

In addition to celebration, the Fourth of July can be a day of reflection for soldiers on their service and the importance of independence for the nation. It is a time to remember the history and ideals that inspire them to serve, and to celebrate the freedom they defend.

Esteemed Leading Knight  
George Neri

## From Our Loyal Knight

JUSTICE is the heartbeat of our society, ensuring that FAIRNESS, EQUALITY, and MORAL RIGHTEOUSNESS thrive.

First, I wanted to thank all the Elks and their families that joined us in honoring the men and women that gave their lives for our freedom on Memorial Day, June 26, 2025. It was a great day! Thank you!!!

Secondly, the Fourth of July, also known as Independence Day, commemorates the ratification of the Declaration of Independence from 1776. This day is deeply connected with the principles of democracy and justice. The Declaration

was a document about self-governance and human rights, symbolizing freedom and equality. On this holiday, Americans may reflect upon these values—freedom, democracy, and equality—and consider how they can be incorporated into their daily lives.

Lastly, let us continue to uphold these values in our lodge boards, committees, and our lives by fostering discussions that emphasize the importance of freedom, democracy, and equality. These principles can serve as guiding lights in decision-making processes and lodge projects. Let us take this opportunity to revisit the ideals that shaped our lodge's history, ensuring they remain embedded in our actions and aspirations as members of the lodge and as citizens. Through thoughtful collaboration and commitment, we can contribute to strengthening these values, not only within our lodge, but also in society, leaving a lasting impact for generations to come.

Imelda (Mel) Hunkin  
Esteemed Loyal Knight

## From Our Lecturing Knight

From the Station of Brotherly Love...

I have a patch on my notebook that says: "Not All Disabilities Are Visible." Many of us live our lives with challenges that go unnoticed even by our friends. That is why we all need to live by the rule we learned in kindergarten, "Keep your hands to yourself". There are ways to show brotherly love without touching someone. A big smile or a "How ya doing" shows your care and affection for a person, without touching him or her.

We need to respect people's boundaries. Some people are uncomfortable with someone entering their personal space. Sometimes there's a definite reason for this. For example, a military veteran may be suffering from PTSD and coming up behind that person and grabbing his or her shoulders may make that individual feel very uncomfortable, and it may trigger his or her PTSD. Many of our members here at the Elks Lodge are veterans. We need to be conscious of this and respect their space.

Another thing to consider is that some people may be experiencing chronic pain due to an ailment, such as arthritis, fibromyalgia, multiple sclerosis, and other debilitating health issues. For this person, a hug or a pat on the back can literally be painful. Personally, I live with fibromyalgia, and I live with chronic pain. My pain is concentrated in my upper back and shoulders. We have a term in the Fibro community called "Gentle Hugs." I like hugs, but sometimes they can hurt.

We have no way of knowing if a person is okay with being touched or not. If they have a debilitating condition, whether it be emotional or physical, we cannot see it. Their pain is not tattooed on their foreheads, so how would you know if they have it? You wouldn't, so please keep this in mind next time you want to grab or hug someone.

## Fullerton Lodge Helps LOT 318

On Saturday, May 24, the Lodge participated in the Good Life Celebration Health Fair held at the Gomez Community Center in Placentia, California. Lot 318 partnered with the City of Placentia, HIS-OC, and other local organizations to support a healthy community. Medical, dental, and vision services were provided for families in attendance. Hair cutting services were also available to attendees. The Lodge donated \$2,000 to Lot 318 as a sponsor of the event. We provided information on drug awareness and scholarship opportunities. Additionally, the Lodge sponsored a game booth for families to enjoy.

Along with the Fullerton Elks Lodge, vendors included Orange County Support Services, Rotary Club of Placentia, Sam's Club, McAulay & Wallace Mortuary, Recovery Road, Thrivent, Social Services, and others. We estimate that about 100 children and adults approached our booth. Participants were able to "spin the wheel" to win prizes and food items. Lodge member volunteers were Cory Brown, Janet Donnelly, George Feliz, Alex Nunez, Marie Nunez, Karen Seeley, and April Stilson.

Lot 318 believes in walking alongside community members and encouraging them to value themselves and the resources they have available to them. The support they receive from the community helps take a child off the streets and puts them in a safe environment where they can grow spiritually and as individuals. Lot 318's goal is to provide opportunities that many may not have access to, and they want to encourage them to become a positive influence and force in the world.

The Lodge was grateful to be part of this worthwhile event.

Janet Donnelly, Drug Awareness Chair

## FULLERTON ELKS SPECIAL CHILD MYCHAL REDMAN

Mychal Redman was born one month early on July 13, 1990. He will be 35 years old this year. He reached all his milestones late and started speaking short sentences at 3 years of age. It was determined that he had moderate Autism and developmental and cognitive delays. He was given services to meet his learning needs and a special education aide in the classroom to guide him.

During middle school, Mychal met Courtni Laughlin, who was part of a program that takes special needs students under their wings during breaks and lunch to help them socialize and meet other students. Courtni went on to create the No Limits Learning Center in Brea where Mychal and our own Nate Fonseca are enrolled in school. The students at this school run the Snack Shack where students can purchase snacks and breakfast during morning breaks. They also provide coffee for sale on Friday mornings to all who drive up at the school between 8:00 & 8:30 a.m. The students fill all the jobs for the snack shack, including running the cash register and stocking the shelves. Mychal's Dad is involved with the Rotary Club of Placentia, and he stays busy helping with their charity efforts by stocking up food boxes and filling new backpacks for children in low-income families.

Bryan Baker  
2025-2026 District Deputy Grand Exalted Ruler Designate  
For the Orange Coast District #0960

### BIOGRAPHY OF BRYAN BAKER

Bryan Scott Baker is a native Californian, having spent the majority of his life in Southern California with brief chapters in Waltham, Massachusetts, and Seattle, Washington. He currently lives in Huntington Beach with his fiancé, Nicole Sato—California-Hawaii Elks Association Chaplain. Remarkably, the two not only share a deep commitment to Elksdom but also the same birthday (month, day, and year) and the same initiation date into the Benevolent and Protective Order of Elks.

When they're not busy with their Lodge responsibilities or other Elk commitments, Bryan and Nicole enjoy traveling—whether it's a weekend staycation or a cruise to a far-off destination, they love exploring the world together.

Bryan's professional journey began as a high school beach lifeguard in Huntington Beach and Newport Beach. He went on to attend Brandeis University in Waltham, Massachusetts, before entering the tech industry. His early career included a role at a small software consulting firm in Los Angeles, where he helped develop high-traffic websites such as the Academy Awards and SuperBowl.com. After working at several startups, Bryan joined Microsoft Corporation in Southern California, supporting major regional clients in adopting Microsoft technologies. He later moved to Redmond, Washington, to work on the Microsoft Office team.

Eventually returning to Southern California, Bryan launched his own consulting firm with offices in California, Washington, and India—a business he continues to lead today.

In 2016, a longtime friend proposed Bryan for membership to the Newport Harbor Elks Lodge #1767, recognizing that the Lodge's mission and camaraderie aligned perfectly with Bryan's values. Since joining, Bryan has held numerous leadership roles, including two terms as Chairman of the Board, twice awarded Officer of the Year, and was Exalted Ruler in 2019–2020. He spearheaded several successful and ongoing Lodge programs that remain central to the Lodge's activities, including chairing the Lodge Renovation Committee. Bryan is also a certified Word Judge, Calculator Judge, and Floor Judge, and has word judged at the state level. At the district level, he has served in various leadership roles, including Business Practices Chairman (a three-year term), COVID Advisor, and Americanism Chairman. In 2021–2022, he served as Esquire to District Deputy Grand Exalted Ruler JackieLynn Defries. More recently, he served as Association Vice President for the Orange Coast District in 2023–2024 serving under Ted Talbot, Secretary for the 2025 CHEA State Convention, and Vice-Chair of the newly launched CHEA Learning Series for 2024–2025.

On Wednesday, July 2, 2025, in Kansas City, Missouri, Bryan was installed as the District Deputy Grand Exalted Ruler for the Orange Coast District #0960. His slogan for the year, "Stay Calm and Journey On", is a tribute to the wisdom of his late mentor, Past District Deputy Grand Exalted Ruler Dr. Stanley Malkin, who often reminded others, "Don't sweat the small stuff." Bryan's message encourages fellow Elks to focus on the big picture and enjoy the journey of service, leadership, and community.

### Have You Seen Me??

About one year ago, the Lodge purchased two specially made purple tablecloths. These are used at events where the Elks organization and programs are being promoted. Each tablecloth has the Elks insignia, our Lodge name and number. One of these is now missing. If any of our members reading this is aware of or has knowledge of its whereabouts, please contact Cory Brown, Public Relations Chair at KG6EP@VERIZON.NET, or just return it to the Office.

The Lodge has live music every Friday evening! Give us a call to see who the band is, and keep watch on your email blasts.
