Please Support Our Lodge

From Our Exalted Ruler

Bryan Klatt, our Grand Exalted Ruler's motto this year is: "Be the Difference".

I love this motto because every one of us can do that. It's not some far-fetched idea. How can I do that, you ask? It's simple. It all starts with your attitude. You can choose to be just okay, or you can choose to be fantastic!

When you choose to be fantastic, you walk through the door of our lodge with a smile, and you share that smile with the greeter. Share that smile with your server and bartender; share that smile with your fellow Elks as you walk by their table, and why not say hello while you're at it. Who knows how many people's attitudes you have just changed? You just made a difference in someone's day.

See? It wasn't that hard, and it hardly took any effort. Your positivity can be contagious. Think of a time when you weren't feeling so great, and then someone came in and greeted you with a smile, and or a hug, and it changed your attitude.

So, as we prepare for the upcoming holidays and busier schedules, let's remember a smile can be the difference. A smile is both good for you physically and emotionally, and it can literally change someone's day!

Be the difference, be fantastic, be the bearer of a smile that changes someone's day!

Remember! You've got a friend in Elkdome.

Karen Seeley
Exalted Ruler

From Our Leading Knight

Life moves pretty fast

Let me start this off by saying, "Thank you!"

Thank you for having faith in me to do the job of Leading Knight. Thank you for all of your support. Thank you for being a part of the greatest benevolent organization in the United States.

Oh, my goodness! It's already October! This month on the 18th is the "Leading

Knight Stud Auction" in Huntington Beach. We also have the annual Halloween and Trunk or Treat coming up.

At the beginning of next month, we have our Mid-Term State Convention to look forward to. I've been to two state conventions: the first as a guest of the Exalted Ruler, and the second as a volunteer. This is my first time attending as an officer of the lodge, and that REQUIRES me to attend. AAAHHHH! I'm nervous and excited. I am looking forward to serving you well as your Esteemed Leading Knight.

I pray that this article finds you in good health, and good cheer.

..... If you don't stop and look around once in a while, you could miss it."— F. Bueller

From Our Loyal Knight

JUSTICE is the heartbeat of **OUR LODGE**, ensuring that **FAIRNESS, EQUALITY**, and **MORAL RIGHTEOUSNESS** thrive.

October isn't just about pumpkins and cooler weather—it's a time to focus on justice and take action in our communities. This month highlights important campaigns that support **FAIRNESS, SAFETY**, and **RESPECT** for **EVERYONE**.

One of October's most significant justice-related observances is **Domestic Violence Awareness Month**. Originating from the National Coalition Against Domestic Violence's "Day of Unity" in 1981, this month honors

survivors, mourns victims, and recognizes work in communities to end abuse. It's a time to push for stronger protection, better education on what constitutes consent, ways to foster healthy relationships, and help for those who need support.

Justice matters all year, but October brings special causes that deserve our attention. The month encourages us to **think, learn**, and **act** for **safety** and **rights**. By speaking up, teaching others, and working together, we help make justice stronger at **OUR LODGE** and in our communities.

This month reminds us to stand with survivors, speak out against abuse, and support safe, healthy relationships. Wear purple during Domestic Violence Awareness Month to show your solidarity and help spread awareness at **OUR LODGE** and in our communities.

Let's take time this month to learn, support others, and act—because **JUSTICE** begins when we pay attention.

Imelda (Mel) Hunkin
Esteemed Loyal Knight

JUSTICE

Dear Members,

I cannot believe that I am writing this article for the October Bugle. Where has the year gone? It is almost 2026. Do you know the significance of 2026? Our wonderful country will be 250 years old. Fifty years ago, America celebrated our 200th anniversary.

Fifty years ago, I was in the 5th grade at Taft Elementary school in Orange, California. Our class created a patriotic quilt to commemorate the event. Our teacher gave each of us a piece of white fabric

and taught us a few simple embroidery stitches. We embroidered pictures that were about the United States. One of the mothers stitched all the squares together to make a beautiful commemorative quilt that we were all proud of.

The most exciting thing about this project was that a photographer from the OC Register came and took a picture of our quilt, and we were featured in the newspaper. This was all very thrilling for a 10-year-old.

How did you celebrate our country's 200th anniversary?

I cannot wait to see the acts of patriotism that will be created next year, especially within the Elks. God Bless America!

- The American Red Cross must collect nearly 13,000 blood donations every day for patients in need.
- Blood products are perishable and cannot be manufactured; they can only come from volunteer donors.
- 16-year-old students are eligible to donate blood with a signed parental consent.
- Cancer patients use nearly one quarter of the blood supply – more than patients fighting any other disease.
- A single car accident victim can require as many as 100 pints of blood.
- A diverse blood supply is important! A patient is more likely to find a compatible blood match from a donor of the same race or a similar ethnic group.

The Prescription Drug Take Back Day aims to provide a safe, convenient, and responsible means of disposing of prescription drugs. The U.S. Drug Enforcement Administration (DEA) is currently organizing collection sites. We will have additional information after October 1st when the collection sites are confirmed.

If you need to dispose of any prescription drugs before October 25, there are year round pharmaceutical disposal locations for your convenience. Noted below are three locations in the Fullerton area where you can dispose of your prescription medications (during pharmacy hours):

- Walgreen Co., 1250 E. Chapman Avenue
- Be Well Pharmacy, Inc., 105 N. Lawrence Avenue
- Garfield Beach CVS, 2200 N. Harbor Boulevard

Warmly,
Janet Donnelly

SPECIAL CHILD HOE DOWN

On Sunday August 17th, 2025, the Fullerton Elks hosted a Hoe Down for the families of the Special Child Program. Twenty families were able to attend. A brunch was prepared by the Fullerton Elks' Kitchen Staff and served by volunteers.

The children and adults enjoyed meeting Sheriff Woody and Buzz Lightyear. A DJ played music and sang along. Many of the children and adults participated in dancing, the conga line, and the hokey pokey. A fun time was had by all.

The Fullerton Elks' Special Child Program has been ongoing since 1985 and is now made up of a committee of members. Thanks to this committee, we have been able to expand the program to four parties annually.

Public Relations & Publicity

"Act as if what you do makes a difference. It does."
William James

As an Elk, I know that I am a part of an organization that is over one-hundred and fifty-five years old. I am aware that we have over 800,000 members and approximately 2000 Lodges in the Benevolent and Protective Order of Elks (BPOE).

As our membership grows in the Orange Coast District, we have many public relations and publicity efforts occurring county-wide. These efforts inform the communities we serve about the Elks and enlightens them to our charitable activities and commitments.

Several Fullerton Elks members were recently at an event in Placentia, selling Elkdom. I have found that getting articles published, contacting the cities we serve, and reaching out to organizations that can use help in our community is highly gratifying. It adds meaning to my membership.

If you are interested in helping in this endeavor please contact me at KG6EP@VERIZON.NET

Help Wanted

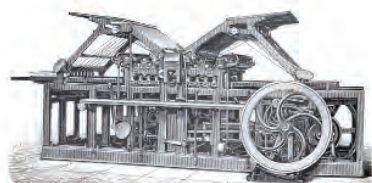

The Fullerton Elks Bugle is an award winning Elks Newsletter bringing information to all Lodge members and is publicly available on our website, FullertonElks.org

We need to transition from our current designer to someone new. What do you need to succeed? Access to any type of publishing software such as Word, Publisher, InDesign, Illustrator, Canva, or anything you are comfortable with.

We are happy to train you and make sure things transition smoothly. We will walk with you for several months as things transition.

This will really help out the team, the lodge, and all our readers. This is a great team and I have thoroughly enjoyed this experience for the last five years. For personal reasons, I do need to transition away. You will never walk alone, and I will assist you.

Elks National Foundation Scholarships

The Elks National Foundation (ENF) is now accepting applications for the 2026 Most Valuable Student and Legacy Awards scholarships. Applications for both scholarships will be available online. This year, applicants will be given their choice of five nearby lodges in the Orange Coast District to determine their affiliation. Our lodge judges will be able to see the objective scoring previously not revealed to judges. Objective scoring includes points for academics, community service, honors and awards, financial need, extracurricular activities, and employment. Twenty-four hours after submitting our lodge applicants' scores, we will be notified who will be advancing to the next level of judging.

"Most Valuable Student" Scholarship

The "Most Valuable Student" Scholarship is open to any high school senior in our District who is a US citizen. They do not have to be related to an Elks member. Applicants will be judged on their scholarship application, leadership, community involvement, and financial need. Selection begins at the local level and progresses through a district, state and national competition. Five hundred scholarships will be awarded in late April of 2026, many of them

totaling \$4000 in awards per student (\$1000 per year). Interested students may apply at enf.elks.org/mvs. The online application deadline is November 12, 2025. Our scholarship judges will have to evaluate submissions between December 2nd and 19th. (Remember to select Fullerton Elks as your lodge.)

"Legacy Awards" Scholarships

The "Legacy Awards" are awarded to college bound, high school seniors who are children or grandchildren of Elks members that are in good standing for two or more years. Three hundred scholarships of \$4000 will be awarded in 2026. This is a statewide competition. Applications will be judged on the values of knowledge, charity, community service, and integrity. The online application deadline is February 2, 2026. The judging committee will be appointed by the Elks National Foundation Board of Trustees.

Interested students may apply at enf.elks.org/leg.
