1400 ELKS VIEW LANE, FULLERTON

*From Our Lecturing Knight*

When I was Exalted Ruler in 2021-22, we initiated over 110 new members into our lodge. Since that time, we have exceeded that number in new members. our lodge membership is huge, but you would never know if you saw how many members come to our meetings.

The only way you can learn what is going on at our lodge is to attend a lodge meeting. It is about 1 hour a week commitment. In the grand scheme of things, is that a great sacrifice? Are you

that busy? Besides, our wonderful Chef Ziad makes a super meal on Thursday evenings for you to enjoy.

Every month at initiation, I sit at my station and listen to our new members say they joined the Elks to give back and volunteer, but we rarely ever see them again. In every lodge across the country, only 20% of members are active, and I think this is very sad.

I don't believe that we have 20% active members at Fullerton 1993. You need to ask yourself, why did I join this order? When you became members, you were asked to come to an orientation and then to the initiation ritual. You came because you wanted to be an Elk. Is coming to a weekly meeting asking too much?

February is a perfect month to attend lodge meetings. This is when we choose our officers for next year. I implore you to come to the meetings in February, at least to meet the new officers. Also, every week we choose two members to possibly win money. I won \$475.00 this year because I am going to meetings. You never know, that could be you, too!

I hope to see you at a meeting soon.

Dana Antolin, PER  
Esteemed Lecturing Knight

**SPECIAL CHILD REFERRALS REQUESTED**

The Special Child Committee is requesting referrals for the Fullerton Elks Special Child Program from our members. If you have a family member or a neighbor with a special needs child or adult of any age, please let Irene or Nyada know. Many adult age special needs people have enjoyed participating in this program.

Currently we have three holiday parties yearly for these families. These parties improve the quality of life for the children and the parents. The parents of our special children have commented that the Fullerton Elks Lodge is the only place they can go with their children and relax, have a nice meal, and just let their children be themselves.

In addition, the special child families can network with each other at these events to help navigate the challenges they face and share access to necessary resources.

The Fullerton Elks Special Child Program has been in existence since 1985. It has enriched many families in our community since that time. We look forward to and would enjoy hearing your recommendations.

- The American Red Cross must collect nearly 13,000 blood donations every day for patients in need.
- Blood products are perishable and cannot be manufactured; they can only come from volunteer donors.
- 16-year-old students are eligible to donate blood with a signed parental consent.
- Cancer patients use nearly one quarter of the blood supply – more than patients fighting any other disease.
- A single car accident victim can require as many as 100 pints of blood.
- **A diverse blood supply is important! A patient is more likely to find a compatible blood match from a donor of the same race or a similar ethnic group.**
